To: _____

Chandler Officer Required When working within 300 ft of a signalized intersection, police officers are required during peak hours when thru lanes are restricted, and during off-peak hours when traffic is reduced to one lane in each direction. Officers must be scheduled thru the Police Department 24 hours in advance at 480-782-4204.

Construction Date: Start _____ End _____ (See Note 3 below.)

Construction Hours:

- 8:30 a.m. to 4 p.m.
24-Hour
Nighttime - 9 p.m. to 5 a.m.
Weekend (specify)
Other (specify)

Barricade Company: _____ Phone: _____

Note: Email Traffic Control Plans to tcp@chandleraz.gov

Important Information (please read carefully)

- 1. Traffic Control Plans must be submitted no later than 24 hours prior to the requested start time.
2. Traffic Control Plans submitted on Fridays, weekends or holidays, will have the 24-hour time period begin on the next business day.
3. Any work outside of the time frame requested is subject to sanctions prescribed in the Traffic Barricade Design - Technical Design Manual #7. To revise construction dates/times or for new applications, see Note 7 below.
4. If traffic is being shifted between lanes at a signalized intersection, the applicant is required to notify the City 24-hours in advance and precisely at the time of the switchover. Please contact the Traffic Inspector below, or the Traffic Management Center (TMC) at 480-782-3471.
5. The Applicant is responsible to maintain the work zone and jobsite in a safe manner.
6. The Applicant shall ensure that all traffic control devices no longer needed for work in progress, or for safety reasons, are removed from the roadway. If a barricading company is not available, the Applicant may remove the barricading prior to leaving the job site.
7. Requests for arterial road closures must be submitted no less than ten days in advance, and will not be considered without prior communication with the City's Traffic Engineering representative.
8. For questions, plan revisions, or date revisions, please contact the appropriate Traffic Inspector - Special Events: Abe Murua - cell 480-212-6204, office 480-782-3477, abraham.murua@chandleraz.gov, all others: Steve Lindl - cell: 480-577-3607, office 480-782-3453, tcp@chandleraz.gov
