PLEASE NOTE: The Adult Sports league Rules & Regulations do not allow a coach to legally add a player to their roster after the third (3rd) week of games in a season. So it is important to try to get on a team roster prior to the first game.

AMPLIFIED MUSIC

Amplified music is not permitted during an Adult Sport's sponsored league. For the purposes of this section, an "amplified musical system" is defined as mechanical or electrical musical instrument, or music producing device, equipped with an electrical amplifier or loudspeaker. No bells, chimes, or amplified musical system, as defined herein shall make noise or music which disturbs the peace or quiet of any neighborhood or which causes discomfort or annoyance to any reasonable person of normal sensitiveness residing or working in the area.

ALCOHOLIC BEVERAGES

Alcoholic beverages are prohibited in City Parks without a Malt Beverage Permit (see below). Any players/team that is found drinking or under the influence of alcohol before or during a game may be suspended indefinitely, which could result in being dropped from the league.

MALT BEVERAGE PERMIT

A Malt Beverage Permit is required of individuals or parties who wish to enjoy a malt beverage in any of our City Parks. Malt beverage permit conditions are in accordance with the rules and regulations of City Code Chapter, Part V, 31-17. Permits are \$14 for residents and \$19 for non-residents and may be obtained during normal operating hours. A valid driver's license is required. Permits are governed by the following special conditions:

1. Permit is not transferable.
2. Permit is valid for date and restricted to area, assignment, and number in the group as indicated.
3. Glass beverage containers are not permitted.
4. Only Permit Holder is allowed to bring malt beverages into area and is responsible for the group members' conduct.
5. Permit holder is responsible for assuming ALL MEMBERS of his/her party are of legal age to drink malt beverages according to Arizona State Law.
6. Area must be left clean.
7. Obnoxious behavior or excessive noise will not be permitted and may result in forfeiture of any cleanup/security deposits. The volume of music must be kept low enough to not disturb other area users. All music must conclude by 10:30 p.m. and no amplified music is allowed.
8. Area hours, as posted, must be observed unless written consent has been approved by the Community Services Director.
9. Permit holder must retain permit and make available upon request by park or police officials.
10. Malt beverages are not to be consumed in a City Park prior to or during any Adult Sports athletic competition. For example, this includes a parking lot, softball field dugout or bleachers.
11. Issuance of a Malt Beverage Permit does not guarantee a reservation.
12. This permit DOES NOT allow the SALE of malt beverages.

GAME CANCELLATION DUE TO WEATHER

If the weather on the day of a game appears threatening, a decision whether to play the game will be made by 3:00 p.m. Managers have the responsibility of calling the Sports Hotline at [480-782-2715](tel:480-782-2715) (Push option #6 on recording) **AFTER** 3:00 p.m. to determine whether the games will be played or not. Unless told (by the department) the games are canceled, assume they will be played and show up at game time. All games canceled will be made up at a later date.

GAME AND FORFEIT TIME

It would be greatly appreciated that if any team is expecting to forfeit a regularly scheduled game, to please call the Adult Sports Coordinator at (480) 782-2704 during normal operating hours. The Adult Sports Coordinator will then contact the opposing team and umpire/official(s) to notify them of the forfeit. **Please note, all game times are subject to change.**

Softball (Singleheader) – Teams have an 8 minute grace period after the officially scheduled game time. If a full team is not present prior to the eight minute grace period is complete, the game will be declared a forfeit. A team must start and finish a game with eight or more players.

Softball (Doubleheader) - Teams have an 8 minute grace period after the first officially scheduled game time. If a full team is not present prior to the eight minute grace period is complete, the first game will be declared a forfeit. A team must start and finish a game with eight or more players. As soon as the eighth player arrives, the second game may begin. The team that is short of players has an eight minute grace period after the second officially scheduled game time. If a full team is not present prior to the eight minute grace period is complete, the second game will also be declared a forfeit.

Volleyball - Teams have an 8 minute grace period after the officially scheduled game time. If a full team is not present prior to the eight minute grace period is complete, the game will be declared a forfeit. A team must start and finish a game with four or more players.

Basketball - Teams have an 8 minute grace period after the officially scheduled game time. If a full team is not present prior to the eight minute grace period is complete, the game will be declared a forfeit. A team must start and finish a game with four or more players.

Flag Football – Teams have an 8 minute grace period after the officially scheduled game time. If a full team is not present prior to the eight minute grace period is complete, the game will be declared a forfeit. A team must start and finish a game with seven or more players.

- Softball – Seven Runs/Game
- Basketball – 40 Points/Game (20 Points/Half)
- Volleyball – 45 Points/Match (15 Points/Game)
- Flag Football – 14 Points/Game (7 Points/Half)

ROSTERS

Rosters cannot exceed 20 players and must be submitted at time of registration. Rosters must be legible and all information filled in or they will **not** be accepted. **Any player may be deleted from the roster, but only three (3) players may be added after the roster is turned in with the registration fee and must be added prior to the third (3rd) week of your league's scheduled games.** All rosters will then be considered frozen as of the third (3rd) game. The field Site Supervisor and Adult Sports Coordinator have the option to reject a player addition, or eject a player from the league, if the player's ability is above that team's league classification. If a player's ability is above the league classification, the Adult Sports Coordinator will observe the player for a minimum of two games and will make a recommendation as to whether the player should be

removed from the league. **A player may not play in two different skill level divisions in Chandler.** Example, a player on a "B" division team may **not** play on a "C" or "D" division team. Managers are encouraged to fill all spots on their roster. Please note that player additions cannot change the team's league classification.

PLAYER ELIGIBILITY

An eligible player is a player who is at least 16 years of age by the first league game, and is legally listed on the team roster. Questions on player(s)' eligibility, age, and identity must be brought to the attention of the umpire/official and the Site Supervisor by the manager of the opposing team prior to the end of the 2nd inning (prior to the first pitch of the 3rd inning). No more than three players may be questioned per game.

Protest of a player's eligibility, as a result of playing under an assumed name or player not listed on an official roster, shall be resolved by immediate photo ID verification, i.e., driver's license, to be done by the field Site Supervisor. If the player cannot provide ID, he/she is removed from the game and the game will continue. If a legal player does not have ID on him/her, he/she will have until 5:00 p.m. of the next business day to show his/her ID to the Adult Sports Coordinator to be considered legal. If no ID is produced by 5:00 p.m. the next business day, the player will be considered illegal. If the player is found to be illegal, the penalty will be the loss of the game (forfeit).

ROSTER CHECK

The Site Supervisor may randomly verify all players' residences or places of employment during the course of the season. Verification will continue until all teams have been checked. Players are not eligible for play until they provide proper identification (ID). Players must carry proper identification with them.

MULTIPLE TEAMS

A player may play on two teams as long as it is in the same skill level, "division", but not the same night and league. Example, if a player plays in "C" Wednesday, he/she can play on another team such as: "C" Monday division team but not another "C" Wednesday team. Any player who plays on more than one team during the regular season can only play on one team during the post-season tournament. If a player plays on more than one team during the post-season tournament, it will be considered as an illegal player. A player may not play two different skill level divisions in Chandler. Example, a player on a "B" division team may **not** play on a "C" or "D" division team.

PROTESTS

Protests must be made immediately after the play in question is committed. The coach must notify the game umpire/official prior to the next play, snap, pitch, serve or in-bound. The umpire/official will then notify the opposing team, the scorekeepers and the Site Supervisor of the requested protest. The umpire/official will attempt to solve the problem in a reasonable amount of time. The clock does not stop during discussion. If the play in question is not resolved at this point, the protesting team can accept the umpire/officials' decision or the team must declare an official protest. If a protest is declared, the protesting team must mark on the score sheet the point in the game the protest occurred (inning, score, time on clock) and then the game will be played under protest. The Site Supervisor will then inform the Adult Sports Coordinator in writing the play that is under protest. If the protest is not marked on the score sheet, the protest will be considered invalid.

Protests shall not be received or considered if they are based solely on a decision involving the accuracy of judgment on the part of an umpire/official. Protests on rule(s) interpretation will only be considered (ASA Rule 9, Sections 2-3).

Once an official protest has been submitted to the Adult Sports Coordinator by the Site Supervisor, a protest committee will be formed to review the interpretation of the rule in question. The review committee will review the Site Supervisor report and the rule in question, and then they will submit a decision back to the Adult Sports Coordinator. If the protest is considered to be invalid, the game score will stand as played.

When a protest is determined to be valid because of the misinterpretation of a playing rule, the decision will be corrected and the game shall be replayed from the point at which the incorrect decision was made. If the protesting team wins the game the protest then becomes meaningless.

UNIFORMS

If the offending team cannot field enough players in uniform, the game will be forfeited. Review each sport for specific rules that relate to uniforms.

Softball – All players on a team shall properly wear shirts that are like in color and style. If a player(s) does not have a team shirt, the umpire/official will enforce an 80/20 uniform rule if it is brought to his attention by the other team prior to the end of the 2nd inning (prior to the first pitch of the 3rd inning). At this time, the umpire/official will enforce an 80/20 shirt rule (80%).

Basketball – All five players on the court must wear matching reversible shirts/jerseys of the same color with a number on the front or back. The reversible jersey must consist of two different colors. The number cannot be more than two digits, and not higher than “99”. No duplicate numbers will be allowed on the court at the same time. Players without a matching jersey will not play. Numbers must be commercially printed or stenciled. No “magic marker” or “taped on numbers” will be allowed. If a player(s) does not have a team shirt, the opposing team manager must request a protest of the rule to the umpire/official.

Flag Football - Teams will be required to have shirts of the same color(s) with numbers (at least 4" high) on either the front or back of the shirt. If a player(s) does not have a team shirt, the opposing team manager must request a protest of the rule to the official. The opposing team manager must make the protest prior to the end of the first of the first half. At this time, the official will enforce an 80/20 uniform rule (80%). Numbers must be commercially printed or stenciled. No “magic marker” or “taped on numbers” will be allowed. If a player(s) does not have a team shirt, the opposing team manager must request a protest of the rule to the official.

Co-Rec Indoor /Sand Volleyball – No uniform requirements.

TIED STANDINGS

If teams are tied during the regular season, final standings will be decided in the following manner:

- If two teams tie for a position in the standings whichever team defeated the other during the regular season will then receive the higher position in the standings.
- If three or more teams tie for the same position, then whichever team had the best record among the teams that were tied will then have the higher position in the standings.
- If all teams that are tied have identical win/loss records against each other, then a run differential formula from the head to head season games will be used.
- If teams are still tied after the above criteria, then total runs/points scored for the season will be used.

POST SEASON TOURNAMENT

A single elimination tournament for each league will follow the end of the regular season. All teams qualify for this tournament. The Adult Sports Coordinator will review the team standings for each league at the conclusion of the regular season. The Adult Sports Coordinator may move teams up or down based on their overall record. When possible, the top and bottom four teams may be moved up or down a league in an effort to provide a more even level of tournament play. All teams should be available to play at any time on their given day/night of play. The Recreation Division reserves the right to move the **top and bottom teams to other divisions for tournament play.**

AWARDS

Awards for Tournament Champions will be given to teams at the end of the season.

LEAGUE WINNERS

Any team that wins any combination of two (2) consecutive league play and/or tournament championships and maintain 80% or more of the same players on their roster will have to register for a higher level of competition for the upcoming season.

INJURIES & FIRST AID

The City of Chandler provides basic first aid supplies such as ice packs and band aids. Tape is not available.

BLOOD RULE (ASA Rule 4, Section 9)

A game participant or umpire who is bleeding or who has blood on their uniform shall be prohibited from participating further in the game until appropriate treatment can be administered. If medical care of treatment is administered in a reasonable length of time, the individual will not have to leave the game. The length of time that is considered reasonable is left to the umpire's judgment. Uniform rule violations will not be enforced if a uniform change is required. The umpire shall:

- A. Stop the game and immediately, call a coach, trainer or other authorized person to the injured player and allow treatment.
- B. Apply the rules of the game regarding substitution, short-handed rules and re-entry if necessary.

It is recommended that teams have spare clothing available at the game site to be used if necessary.

PLAYER CONDUCT and SPORTSMANSHIP

EJECTED PLAYER PENALTY AND SUSPENSIONS

Any person (spectator, player, or team supporter) that is ejected from a game by an umpire/official and/or Site Supervisor will serve a **minimum one week suspension** from **ALL** City of Chandler leagues (including volleyball, basketball, flag football, softball, or if the suspended player plays on multiple teams) until the suspension is completed. This is in addition to probation for the remainder of the season for all leagues in which the suspended player participates in.

If a team has **two or more** ejections over the course of a season for that league, that team will be put on probation or may be dismissed from all leagues indefinitely.

If a player is ejected twice over the course of one season of any league, that player will be removed from all leagues for the remainder of the season or may be dismissed from all City of Chandler leagues indefinitely.

Any suspended player will not be allowed on-site during City of Chandler Adult Sports league play for the entirety of his/her suspension.

Any person ejected from a game must leave the premises immediately. Refusing to leave the premises is considered trespassing. Any person refusing to immediately leave the park will have suspension extended and police will be called.

A) IF A PLAYER IS EJECTED:

- 1) The game may continue as long as the team has the minimum number of players remaining in the existing lineup.
- 2) Once a player is ejected, the lineup is frozen and the team will NOT be allowed to substitute another player for the ejected player or add anyone else to the lineup. Once a team has an ejected player, that player will be counted as an out each time that player's name comes up in the batting order.
- 3) If the ejected player is a batter or base runner then an out will be declared at the time they are ejected. An inning or the game can end with an automatic out.
- 4) The ejected player will be added to the online suspension list

ONLINE SUSPENSION LIST

- Ejected/suspended players will remain on the list until their suspension and probation period has been completed.
- This list will be maintained as an information tool to keep staff, umpires, coaches, and players informed of league disciplinary issues.
- Will be posted on the City of Chandler's Adult Sports Webpage
- Will keep track of multi season/lifetime suspensions or suspensions that run into the following season.
- Will not state what specific actions were done to get ejected/suspended.

OUTRAGEOUS CONDUCT

Any player, coach, or fan, who displays "**Outrageous Conduct**", such as, but not limited to, out of control behavior is defined as, and includes: unsportsmanlike behavior which includes a verbal tirade, foul language and fusillade of abusive language, gestures or threats towards other players, fans, umpire/officials, or City staff; physical contact with any other player, fan, umpire/official or City staff; throwing, kicking, or striking of objects in a threatening or dangerous manner and theft of any property. This conduct includes harassing behavior such as following another player, fan, umpire/official, or City staff off the field or court, into the parking lot or off the premises, or any attempt to block the departure of other players, fans, umpire/officials, or City staff from their departure. Such conduct can lead to a full calendar year suspension or more and possible criminal prosecution. *****SEE EJECTION FEE BELOW*****

If police are called, the ejected player will be suspended for the entire season from all City of Chandler Sports Leagues. If the season has progressed four or more weeks, the player will be suspended for the following season as well.

PHYSICAL ASSAULT

No player or manager shall, at any time, lay a hand upon, shove, strike or threaten an umpire/official, City staff, player, or spectator. The player will be ejected from the ball game and will not be allowed back in the league for the remainder of the season or longer depending on the severity of the incident. Please be advised that "***Physical Assault***" could result in criminal prosecution.

FANS

Coaches are reminded that they are responsible for their team, supporters, fans and children before, during, and after the games. This includes unsportsmanlike remarks, gestures, comments, and monitoring of children (this is for the safety of the children). Additionally, any act of vandalism, threats, and direct contact toward any game umpire/official constitutes liability for prosecution.

SUSPENSION PROTEST

Once a player is suspended, removed from the league, or dismissed from the league, or a team put on probation, the affected player or team may protest by submitting a written protest to the Adult Sports Coordinator. The Snedigar Recreation Center Coordinator II will then name a protest committee to review the action. The review committee will review the conduct and the action in question, and rule on the action and render a decision on such action, which shall be final. If the protest is considered to be invalid, the suspension, removal dismissal, or probation status will stand. When a protest is determined valid, the affected protesting player or team will then be reinstated.

**MENS AND CO-REC SOFTBALL

NUMBER OF PLAYERS

A game may be played with a minimum of eight players. For Co-Rec Softball, a minimum of (8) players are needed to start a game, and at no time are there to be more men than women playing. If a team plays with only eight players, the ninth and tenth batting slots are not automatic outs. The ninth and tenth players are added to the end of the lineup as they arrive. Players arriving after the tenth player **can be added to the lineup**. A team may not end the game with less than eight (8) players.

- **PLAYERS LEAVING THE LINEUP:** If a team has a substitute he must play. If they have no substitute that position will be an out the first time that position comes to bat, then the line-up can be closed with the remaining players.
- **UNLIMITED BATTING:** All players at the start of the game may be placed in the batting order for unlimited batting. If a player leaves the game for any reason and is not replaced, his/her position in the batting order then becomes an automatic out the first time that position comes up to bat. After that you can

close up the line-up with the other players left in the game. Changes with the defensive players may be made at any time; however, the batting order may not change. Example: An extra batter may sit on the bench one inning, play third base one inning, play outfield one inning, sit on the bench again, and then play first base. **In Co-Rec Softball, if there are more men than women on a team, the same two men can alternate batting with each other in the same batting position. You may bat as many women as you want in a row.**

- **COURTESY RUNNER:** One courtesy runner per inning is allowed. The runner must be a player not in the game or who made the last out. **In Co-Rec Softball, if a courtesy runner is due up to bat while he/she is on base, they can be replaced as a courtesy runner by the last person to score a run of the same gender as the courtesy runner.**
- **RE-ENTER:** Any of the starting players may be withdrawn and re-entered once, provided such player occupies the same batting position. A starting pitcher who is withdrawn can return to the pitching position for the remainder of the game. A player other than a starting player may not again re-enter the game after once being withdrawn. The only exception to this rule is if a team player is seriously injured. In Co-Rec Softball they will have unlimited field substitution.
- **FIELDERS (Co-Rec):** The team playing in the field (defense) must have two males and two females playing in both the infield and the outfield and one male and one female as the pitcher and catcher (ASA Rule 4, Sec. 1, C-2-F).

As governed by the Amateur Softball Association (A.S.A.) in rule Part 5, Article 502, Section A: Male rosters shall include only male players. No females are allowed to play in the City of Chandler Men's softball league.

GAME LENGTH

A regulation game will consist of seven (7) innings with no new inning beginning after **55** minutes.

COMPLETE GAME

A game called by umpire shall be considered a complete game if five (5) or more complete innings have been played. The umpire is empowered to call the game at any time because of darkness, rain, fire, panic or any other cause that places patrons or participants in jeopardy (ASA Rule 5, Section 3-C).

Games that are stopped and are not considered regulation (complete) shall be resumed at the exact point where they were stopped.

GAME BALLS

The City of Chandler plays with a ball compression rating of 375 pounds. The Recreation Division will provide one new game ball for each game. The home team has the option to take the game ball after its game.

BALLS AND STRIKES

A mat and the home plate will be used to call strikes. All batters will start with a one ball and one strike count.

BALL RETRIEVAL

It is the responsibility of the hitting team to chase all balls hit out of play (homerun or foul ball). The hitting team must attempt to retrieve the ball before the next turn at-bat or the first batter will be de-clared out.

BASE ON BALLS (CO-REC)

A walk to a male batter will result in a two base award. The next batter (a female) shall bat. **EXCEPTION: With two outs, up until the first pitch, the female batter has the option to walk or bat** (A.S.A. Rule 8, Section 1 C-4).

CO-REC LINE

For C and D divisions in the Co-Rec league the outfield Co-Rec Line will determine the forward limits all outfielders can play when a female batter is batting. Infielders must stay on the dirt infield. After the ball is hit the outfielders may come forward of the line. Infielders may enter the grass outfield. The penalty for violating the Co-Rec Line will have the effect of a walk. An umpire will declare a violation of the Co-Rec Line after the play is over. If the batter is thrown out or strikes out, she will be awarded first base. All other runners will advance safely one base (if they were thrown or tagged out during the play in which the Co-Rec Line was violated). If the female batter hits safely, she will be awarded an additional base after the play is over. All other runners will advance safely one base (if they were thrown or tagged out during the play in which the Co-Rec Line was violated).

SCOREKEEPER

The umpire will keep the official score and time on a score card. The score card will be kept at home plate with the umpire. A signature is required from each manager at the conclusion of each game(s). It is the responsibility of the managers to verify the score at the end of the game. Both teams are recommended to keep their own score book. Each team is responsible for comparing their score books with the umpires score card after each inning. If there is a discrepancy in scores, play is halted to solve the problem. After the next pitch, no further discussion will be considered. If there is a discrepancy at the end of the game regarding the score, it must be resolved between the coaches, umpire and supervisor that night. At the end of each game, the Site Supervisor will collect and keep the score card(s) to be turned into the Adult Sports Coordinator.

TIED GAMES

After seven innings or the 55-minute time limit, if the score is tied, the Tie Breaker scenario will be instituted. The last player out will start at 2nd base. One courtesy runner per team will be allowed. The next player in the line-up comes to bat. The inning will start with two outs and each batter will come up with a one and one count with no fouls to give. Walks count. Only one extra inning will be played (one at bat per team). Game can end in a tie.

ALTERED BATS

An ASA Official Bat's characteristics shall remain fixed at the time of the manufacture and may not be altered in any way other than specifically provided in Rule 3, Section 1 or specifically approved by the ASA. Approved bats shall be considered altered if they are rolled, shaved, repainted, weighted or modified to change their characteristics from that produced by the manufacturer. Identifying the bat by means of laser marking, engraving, or painting the name or number of the player will not make the bat an altered bat (ASA Rule 3, Section H).

According to Article 510 M. 06 of the 2011 ASA Code, Any person discovered in possession of an altered bat at or near the facility or grounds of a softball competition in which such equipment is not permitted to be used shall be subject to discipline pursuant to Article 505. ASA shall have the right to take possession of a bat that is, in the sole discretion of the official, reasonably suspected to be an altered bat. In the event the suspected altered bat is tested and determined to be an altered bat, then the person shall surrender ownership of the altered bat to ASA; otherwise a bat of equal or greater value, or a monetary equivalent, in the sole discretion of ASA, shall be returned to the owner of the subject bat. A team that is discovered to have within its possession or control an altered bat may be suspended from further **league** play and/or tournament competition. See below for official bat penalties and suspensions.

If a previous batter has used the same altered or illegal bat and a pitch has been made, the current batter only is out. **See page 12 for Ejected Player Penalties and Suspensions.**

ALL EQUIPMENT

The ASA reserves the right to withhold or withdraw approval of any equipment which, in the ASA's sole determination, significantly changes the character of the game, affects the safety of participants or spectators, or renders a player's performance more a product of the player's equipment rather than the player's individual skill.

NOTE: The characteristics of any approved equipment cannot be changes. Examples include icing or cooling of any equipment. In addition, approved bats shall not be rolled, shaved or modified to change their characteristics from that produced by the manufacture. **Warming sleeves on bats are now approved** (ASA Rule 3, Section 7).

If a team scores a touchdown, the point after touchdown (PAT) will be allowed according to "Scoring and Scoring Plays." If a defensive player intercepts a legal forward pass, the defensive team may not gain possession of the ball. The interception is considered part of the offense's four plays. The ball will be taken back to the line of scrimmage (LOS) at that point.

If a team scores a touchdown, the PAT will be allowed according to “Scoring and Scoring Plays.” If a defensive player intercepts a legal forward pass, the defensive team may not gain possession of the ball.
