

The Chandler Living Tree Donation Program is sponsored by the City's Park Development & Operations Division.

By donating a tree to this special program, you can help beautify our city parks while at the same time Celebrating Life by planting a tree!

PLANT A TREE IN TRIBUTE

Celebrate a birth, a wedding, an anniversary or honor the memory of a loved one through the Living Tree Donation Program!

Throughout the ages, trees have stood as strong life symbols. Trees improve our air quality and beautify our parks. A tree can also serve as a living and loving remembrance of a special event.

PERFECT AS A FAMILY TREE

Plant a tree to honor the birth of a child, to serve as a symbol of a growing family. Like the tree, the family spreads its roots as it branches out, preparing a strong base for future generations.

PERFECT AS A MONUMENT

The donation of a tree is a wonderful testimonial to a life well lived. Family and friends will have a living monument for a loved one, which will also provide beauty, shade and landscaping for city parks.

HOW TO DONATE A TREE

You may donate money towards the purchase of a special tree(s), or donate a live tree (a tree still in the container). You select the park and the Division will arrange the planting of the tree, as well as the tree maintenance. As a Division policy we are not able to hold ceremonies, however, if family and friends would like to celebrate after the tree is planted they may do so. In addition, due to the increased maintenance we do not allow the placement of decorations, notes, and ornaments on the tree.

Your tree will be planted at any park owned by the City of Chandler. Our staff will gladly work with you in selecting the type of tree and tree location in the park of your choice. After your tree is planted the parks division will maintain your tree, however please remember a tree is a living organism and can develop disease, is exposed to the weather elements and vandalism. If you notice that weather elements or vandals have damaged your Living Tree, please contact the Parks Division immediately. We will take correct measures as soon as possible. If the tree develops a disease or is damaged it may be necessary for the division to replace the tree.

With a donation of \$500.00 (36" box tree) or greater, a 4" x 7" cast bronze memorial plaque will be included and installed at the base of your tree. If your donation is less than \$500.00 (36" box tree) you may provide an additional donation of \$167.00 for a plaque. Verbiage on the plaque should be included in writing and cannot exceed 36 character letters.
