Terms of Use

Please read each statement carefully and then initial on the line provided.

- _____ I understand any final balance due will be deducted from the deposit prior to being issued a refund check.
- _____ I understand hydrant accounts are billed every 60 days and that all bills are due upon receipt. Hydrant accounts are subject to disconnection if not paid within 27 days of the billing date.
- _____ I understand any equipment damage or loss of device (including theft) will be charged to my account.
- _____ I understand no usage on a meter for more than 90 days may result in the meter being removed and the account closed.
- _____ I understand temporary water meters are for commercial construction purposes only **and may not be hard plumbed** or used for irrigation purposes. Fittings and valves should never be removed from the meter or backflow device. Should it be found that a water meter is being used improperly, we reserve the right to remove the meter without notice and close the account.
- _____ I understand if the job site is not ready or accessible when the installer arrives to set the meter, after two (2) trips to the site, a \$50.00 fee for each trip thereafter will be assessed and added to the account.
- _____ I understand if a private hydrant is being used, a letter from the owner of the hydrant must accompany this application request.
- _____ I understand there may be a 24-to-48 hour period of time between acceptance of the application and installation, relocation or removal of any hydrant meter.

REMINDER: Using un-metered water and/or tampering with fire hydrants is an action that could result in fines up to \$2,500. Chandler City Code Section 52-30.
