MEMORANDUM Transportation & Development – PZ Memo No. 10-108

DATE: OCTOBER 14, 2010

TO: PLANNING AND ZONING COMMISSION

THRU: R.J. ZEDER, TRANSPORTATION & DEVELOPMENT DIRECTOR
 JEFF KURTZ, PLANNING ADMINISTRATOR
 KEVIN MAYO, PLANNING MANAGER *KM* *[Signature]*

FROM: BILL DERMODY, SENIOR CITY PLANNER *BD*

SUBJECT: LUP10-0037 COACH & WILLIE'S

Request: Use Permit approval to sell liquor for on-premise consumption only within a new restaurant that includes an outdoor patio (Series 12 Restaurant License)

Location: 1 E. Boston Street, southeast corner of Boston Street and Arizona Avenue

Applicant: C.W. II, LLC

Owner: D V 1 East Boston, LLC (Desert Viking)

Zoning: City Center District (CCD)

RECOMMENDATION

Staff, finding consistency with the General Plan, recommends approval.

BACKGROUND

The request is for Use Permit approval to sell all types of alcohol for on-premise consumption under a Series 12 Restaurant License. The subject site is located at the southeast corner of Boston Street and Arizona Avenue in historic Downtown Chandler. The building shares a wall with a restaurant to the east and borders a public alley to the south. The sidewalk along Boston Street includes a city-owned colonnade. The sidewalk along Arizona Avenue is currently being renovated, expanded, and landscaped as part of a larger Arizona Avenue improvement project. The streetscape improvements include a seating wall near the northwest corner of the subject building that restricts potential outdoor seating in that area.

Separate from the requested Use Permit, the applicant is pursuing building permits to dramatically change the appearance of the subject building. Exterior changes include a new main entrance at the building's northwest corner, shade awnings along the Arizona Avenue frontage, sliding doors along most of the north and west facades to allow an open-air feel during the more temperate months, and a new stucco façade. The interior is changing from a retail layout to a restaurant layout.

The subject business is a restaurant and sports bar that is the second of its name in the area, after an existing location in Downtown Phoenix. The 6,000 square foot space will feature a horseshoe bar and several seating areas, including a private dining room. Hours of operation will generally be 11 a.m. to midnight or 2 a.m. (as demand warrants) during the week and 9 a.m. to 2 a.m. on the weekends. The kitchen will remain open during all business hours. Televisions will be placed throughout the restaurant and bar areas. There will be occasional acoustic live entertainment inside the building.

Outdoor seating will be added along both the Boston Street and Arizona Avenue frontages. The Arizona Avenue outdoor seating will be enclosed by 42"-high, brown wrought iron fencing wrapped partially by a different brown tone Trex plastic (faux wood) material. An illustration of the fencing design is among the memo attachments. The Boston Street outdoor seating boundary will be formed primarily by the seating itself, in the form of continuous couches whose backs comprise the required fence equivalent, broken only by two landscape planters set in line with the couches and completing the barrier. Both outdoor seating areas provide the CCD's minimum 6'-wide pedestrian path between the fence/couches and the nearest column or other obstruction. Though the building elevations were approved through a separate process, the liquor enclosure design and placement need to be approved through the subject request.

A Series 12 Restaurant License allows the on-site sale of beer, wine, and spirits for on-premise consumption. Under a typical Series 12 license the establishment must derive at least 40 percent of its gross revenue from the sale of food and non-alcoholic beverages.

PUBLIC/NEIGHBORHOOD NOTIFICATION

- This request was noticed in accordance with the requirements of the Chandler Zoning Code.
- A neighborhood meeting was held October 13, 2010 at the Downtown Community Center. No citizens attended.
- As of this writing, Staff is not aware of any opposition to the request.

RECOMMENDED ACTION

Staff, upon finding consistency with the General Plan, recommends approval of LUP10-0037 COACH & WILLIE'S subject to the following conditions:

1. The Use Permit granted is for a Series 12 license only, and any change of license shall require reapplication and new Use Permit approval.
2. The Use Permit is non-transferable to any other location.

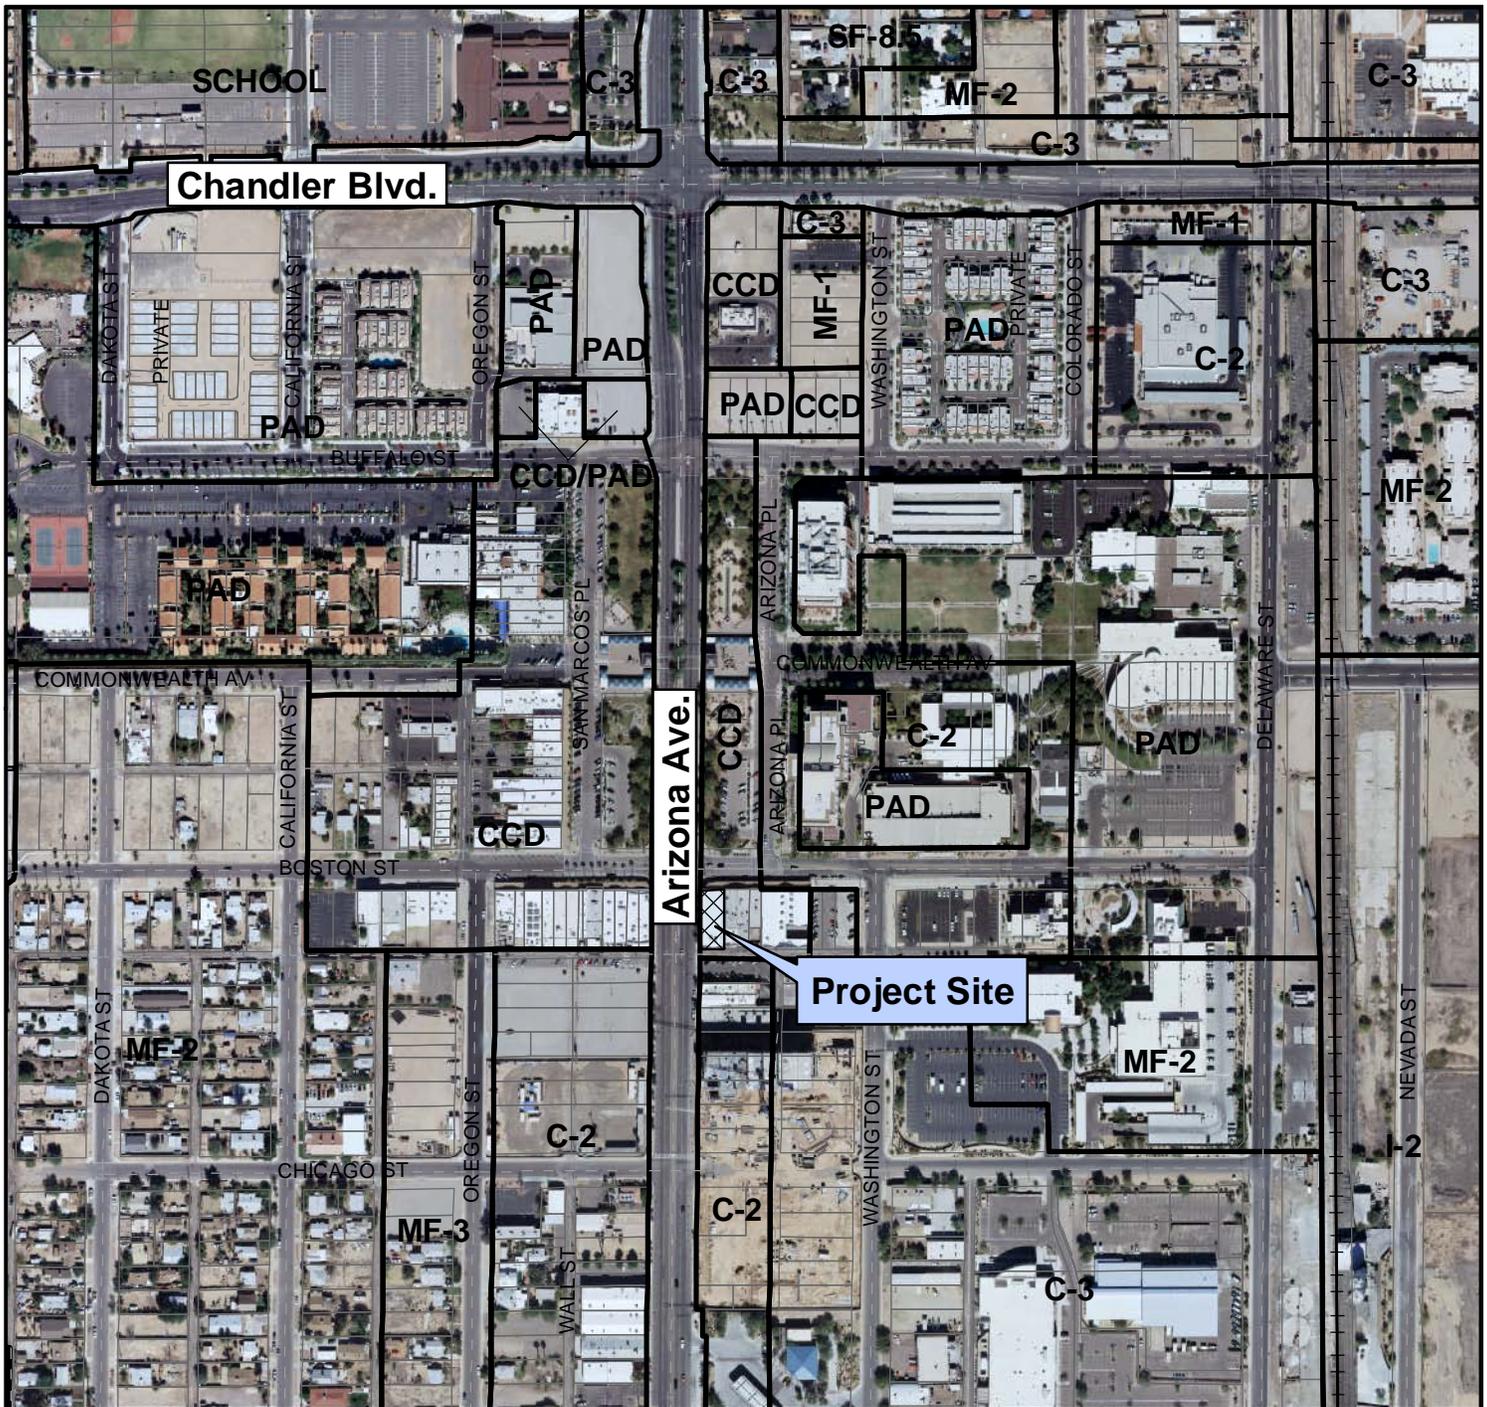

3. Expansion or modification beyond the approved exhibits (Floor Plan and Narrative) shall void the Use Permit and require new Use Permit application and approval.
4. The outdoor patio areas shall be maintained in a clean and orderly manner.

PROPOSED MOTION

Move to recommend approval of LUP10-0037 COACH & WILLIE'S Use Permit for liquor sales subject to the conditions recommended by Staff.

To Whom It May Concern:

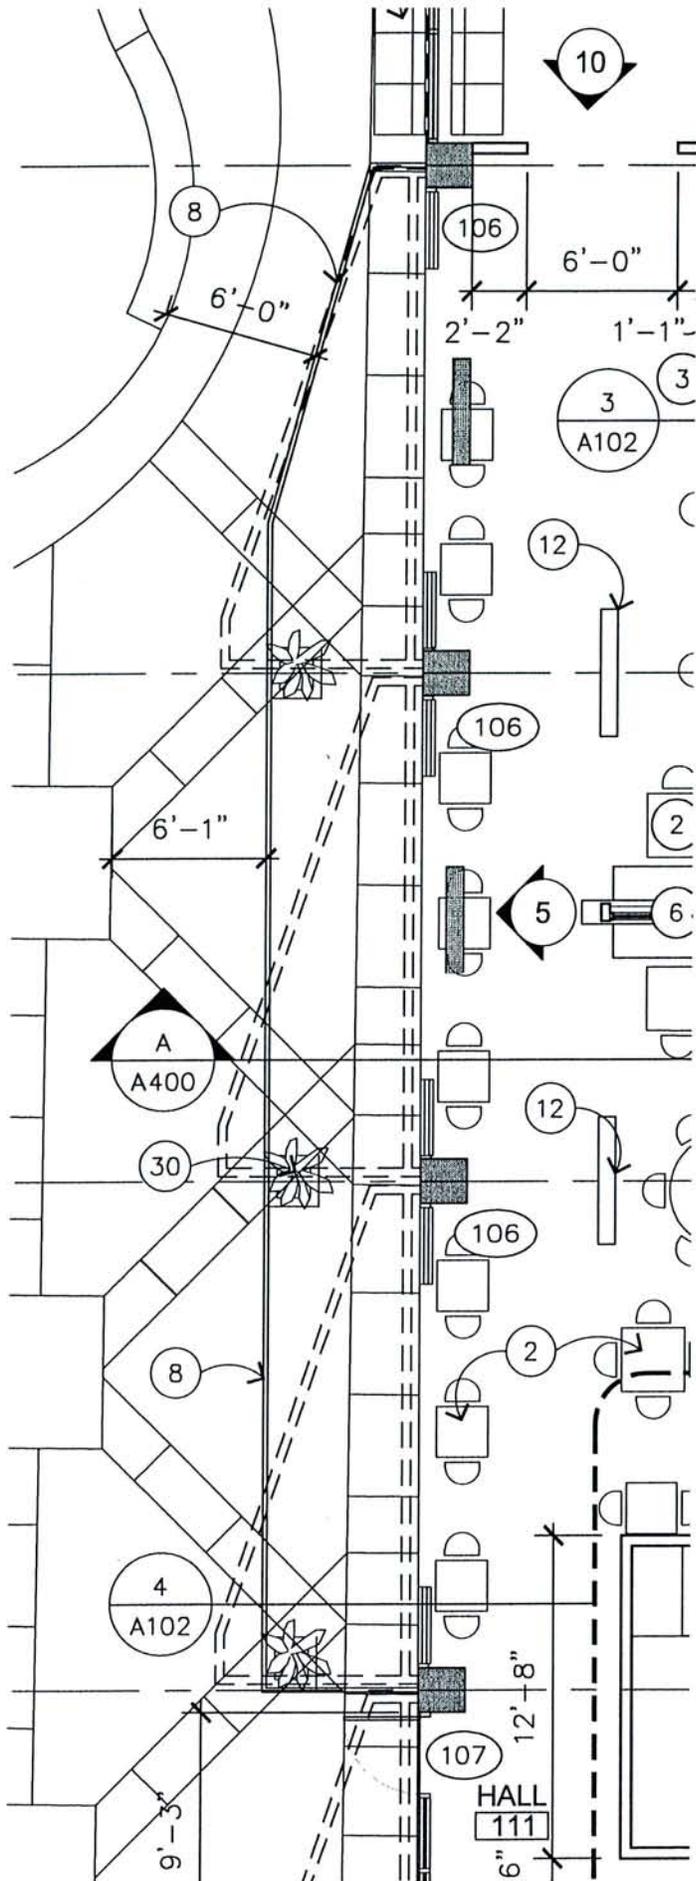

Coach and Willie's are in the process of planning to bring their upscale restaurant and sports bar to beautiful Downtown Chandler. Applying for a series #12 liquor license, Coach and Willie's proposed 6,000 square foot site for this exciting new restaurant will be located at 1 E. Boston Street, at the southeast corner of Arizona Avenue and Boston Street. Already established since 2000 in Downtown Phoenix, Coach and Willie's will offer the same upscale ambiance, quality food and great service in Chandler. Coach and Willie's, known for their great food, has received numerous awards, including New Times "2009 Best Downtown Sports Bar." Their award winning menu includes wood-fired pizzas, pastas made fresh daily, burgers, salads, and a lot more. Daily food promotions will include 'Burger Monday's, Fish Friday, Prime Time Saturdays and Sunday Brunch.'

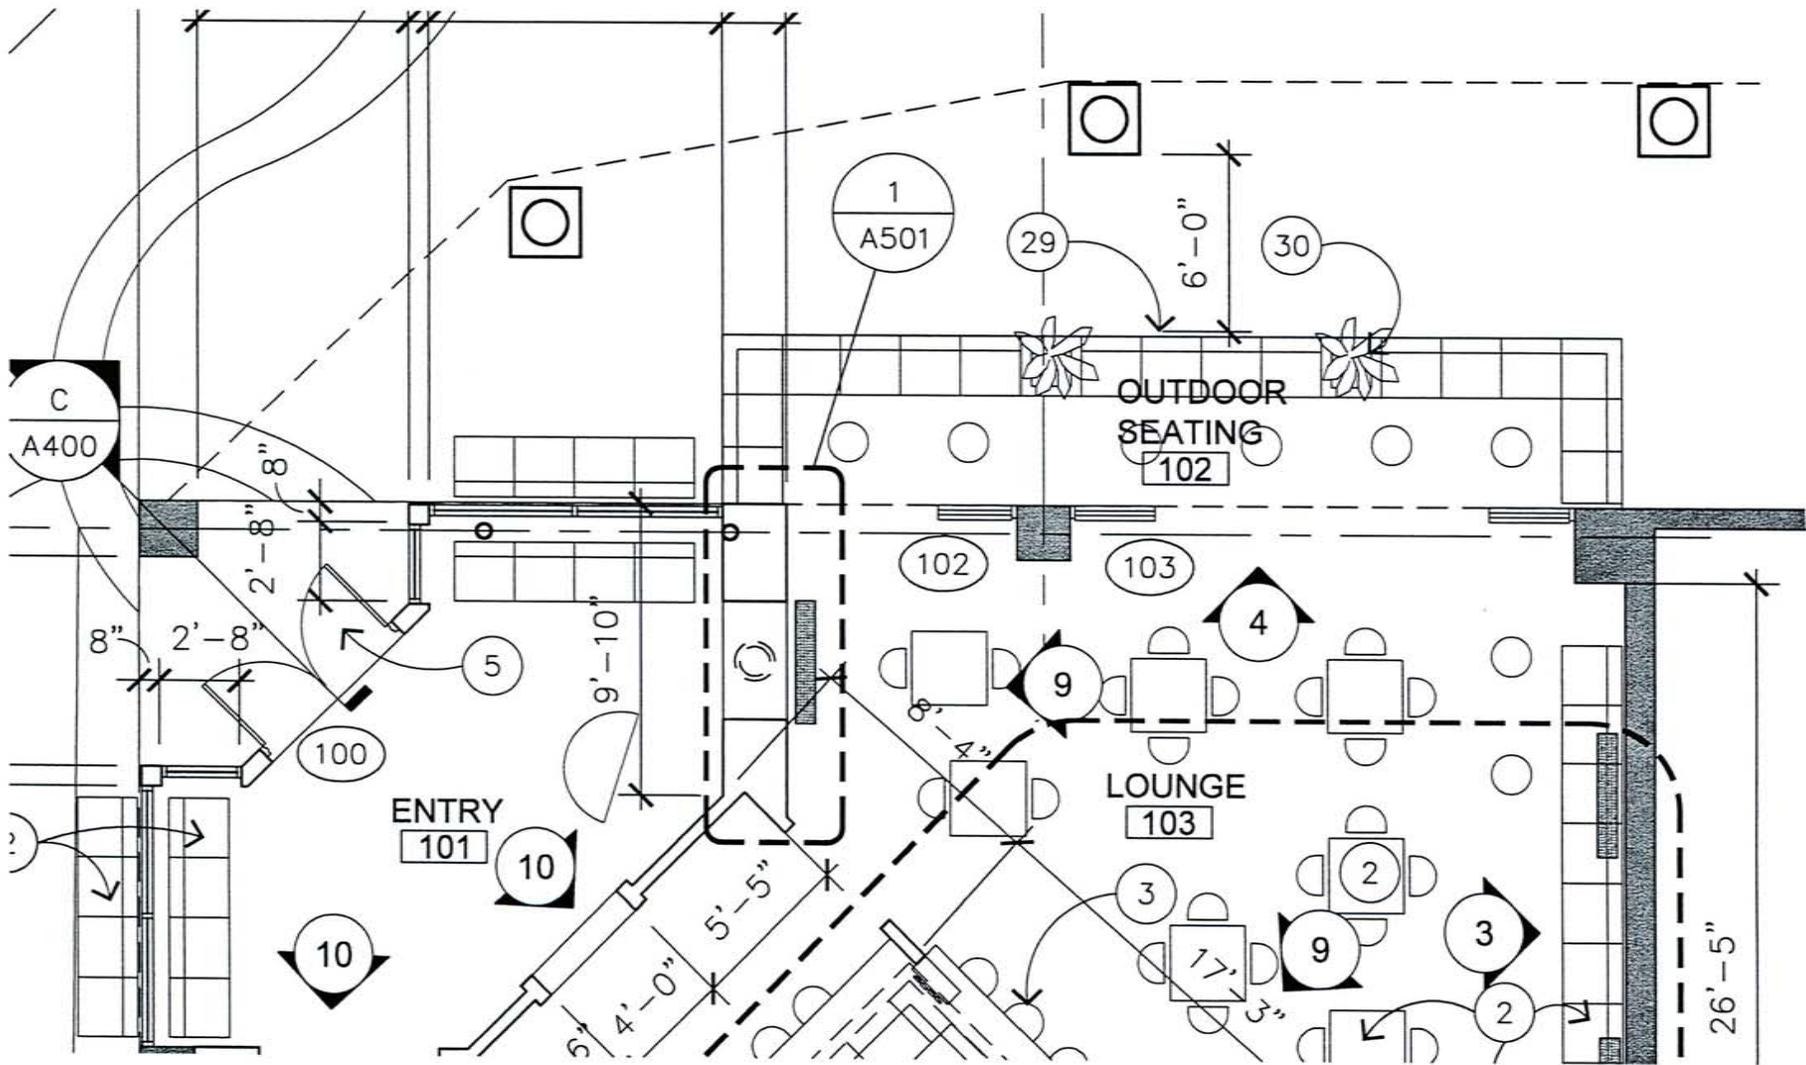

The restaurant design will be unique and innovative to this historic building and be a center point to Downtown Chandler. Sliding glass patio doors along both Arizona Avenue and Boston Street will attract and invite customers to the open feeling of the restaurant. The main focal point to the restaurant will be the mahogany bar and the wood-fired pizza oven. High quality sound and eighteen plasma TV's will also be strategically placed for the customer's viewing pleasure. The bar will feature 10 draft beers, quality wine selection and specialty cocktails. Liquor will be housed in the office and at the bar, with the beer being stored in the walk-in. Bar promotions will include a daily happy hour, beer and wine dinners and occasional acoustic entertainment. The restaurant plans on employing approximately 30 employees and to open daily at 11:00 am serving lunch, 9:00am on the weekends, and close at 2:00am on the weekends. Business during the week will possibly determine different closing hours. Those hours may vary from 12:00am to 2:00am. The kitchen will remain open during business hours.

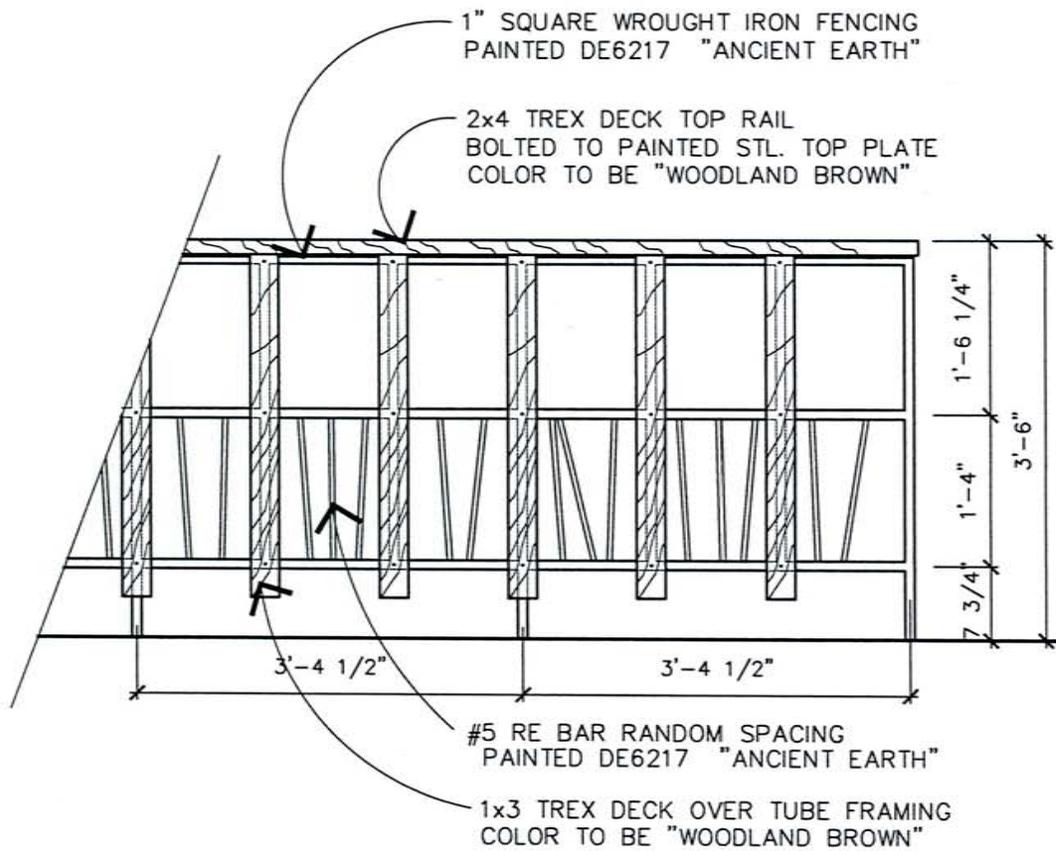

Mark Simonek and Eric Stoltz will be the managing partners of this beautiful restaurant. Mark and Eric have been partners for 15 years in Arizona, with Mark having over 30 years of experience in the restaurant industry. They both are hands on operators and understand the responsibility of owning and operating a business and will comply with all liquor and smoking laws. We appreciate this great opportunity and the review of our application. Should you need any further information please do not hesitate to contact us at (602) 254-5272.

Sincerely,

Mark Simonek

Great Food! Great Place!

Who is Coach and Who is Willie?

They are the fathers of owners Mark Simonek and Eric Stoltz. Hal, whose nickname is "Coach", was a successful college coach for over 40 years in Southern California. He is now retired and living in Arizona. Willie, an inspiration to us all, saw the beginning of the restaurant construction and now overlooks us daily. Each year, the restaurant honors Willie and his memory with a charitable golf tournament benefiting American Cancer Society. Mark and Eric extend their gratitude to you, our loyal customers for visiting the restaurant that means so much to them and the Coach & Willie's staff.
