The City's Adopt-A-Park Program offers citizens and especially park users, the opportunity to exhibit their pride in the community. It is set up for groups to visit the park of their choice on a regular basis to collect litter and complete other tasks and projects to ensure the park is kept clean. Local service and youth organizations, church and neighborhood groups can have fun while also providing a valuable community service. Groups can also win awards for their efforts. By adopting a community park, residents are making their parks more beautiful and are extending tax dollars by allowing City parks employees to spend their time on major renovation, repair and maintenance work. *For more information call 480-782-2667 or visit www.chandleraz.gov/parks.*
