### A Message from Mayor Jay Tibshraeny

The Chandler Parks & Recreation Division recently earned two "Awards of Excellence" from the Arizona Parks and Recreation Association; winning the 2016 Volunteer of the Year Award and the Outstanding Adaptive Program Award.

Chandler Senior Center volunteers Bert and LaVerne Johanson began attending the Senior Center in 1991, and soon the couple began volunteering at the Center. Over the years, the pair has donated more

than 11,885 hours of their time to their fellow seniors, earning them the Volunteers of the Year award.

Chandler's Therapeutic Recreation Program received the Outstanding Adaptive Program Award for its development, implementation and coordination of the Chandler Fun Run. Established to enrich the lives of children with special needs, the Chandler Fun Run serves as a catalyst for students to achieve personal fitness goals and overcome physical disabilities – all while having fun. These are just two examples of the behind-the-scenes work that goes into delivering the best recreational amenities in the Valley.

I wanted to use this winter edition of Break Time to thank all of the hard working employees and volunteers who are so committed to making Chandler's neighborhoods, parks, facilities and programs the very best in the Valley.

And, you don't have to look any further than here in the pages of Break Time to understand the vast array of classes, activities, events and other amenities we are so fortunate to offer you, the residents of Chandler. Please take full advantage of all there is to do. And since we are heading into a new year, why not make a resolution to a new wellness program that includes a healthy dose of Chandler recreational offerings.

Stay healthy Chandler!

Sincerely,

Jay Tibshraeny  
Mayor

For more information on any of the below policies, applications or permits visit [www.chandleraz.gov/recreation](http://www.chandleraz.gov/recreation) or call the main switchboard.

**Advance Registration Codes:** Any class or activity that includes a registration code after or beneath its description, such as the example below, denotes that advance registration is required. An activity or special event without these codes signifies that it is open for drop-in participation, which may or may not also include a fee, depending on the program.

**Example:** 3XX001 (indicates advance registration required)

### Cancellations of Classes/Programs and Refunds

#### • City Initiated:

The City reserves the right to cancel any program due to insufficient enrollment. Early registration is encouraged to help prevent course cancellation due to an apparent lack of interest. If a class or program is canceled, you will be notified and offered an alternative choice, if available. If no alternative is available, a full refund or credit on account (your choice) will be issued within 30 days. The City also reserves the right to cancel, postpone, combine classes, change rooms, or change instructors, as needed.

#### • Participant Initiated:

**Recreation:** If you wish to cancel your class or program enrollment, you must notify the Recreation staff at 480-782-2727, 480-782-2640 or 480-782-2900 at least 48 hours PRIOR to the class start date for a full refund. Less than 48 hours notice results in a 50 percent refund. Refunds are not available after 50 percent of the course/class session is complete. Supply fee refunds will be pro-rated based on attendance, unless otherwise stated on the registration receipt.

**Aquatics:** If you wish to cancel your Aquatics program enrollment, you must notify the Aquatics office at 480-782-2756 or 480-782-2753 at least three days PRIOR to the program/session start date for a full refund. Less than three days notice will result in 50 percent of the class fee refunded. At the start date of class/session, no refund is issued. This refund policy does not apply to Aquatic Certification Courses.

#### • Online Customer Withdrawals:

Customers now have the option to withdrawal (refund) from an activity online! If you wish to complete a class withdrawal online, your transaction must be completed three (3) days prior to the start date of the session/class. Less than three days, the customer must call to request a refund. Other restrictions may be enforced and the Cancellation of Classes/Programs and Refunds Policy applies. Please see FAQ on page 15 or online for steps to complete this process.

*Ball field reservations can be made within seven days of the desired reservation date and must be paid for at the time of reservation. Online ball field reservations for the seventh day will begin at 8 a.m. Customers must create an ACTIVE Net® account before making a reservation.*

**Rainouts:** In an effort to help reduce unnecessary repairs and maintenance to City owned fields, fields will be considered unplayable if the following conditions exist:

3. Turf can be displaced or dislodged from the ground

Poor weather conditions leading to cancellations will result in a credit on the Permit holder's account or refund. ## Mail-In & Drop-Off Registration Completing the Registration Form

- Please submit a separate registration form for recreation classes and aquatics classes. Processing can be delayed if the same form is used for recreation and aquatics registration.
- List a **1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> class choice**. If only one choice is listed and that class is full, the participant will be placed on a waiting list.
- The registration form is an application. It does not ensure placement in a class. You will receive a confirmation receipt to verify enrollment in a class. If your class choices are full, the participant will be placed on a waiting list. **Did you know** you can retrieve all receipt confirmations through your online account? You can also view your entire family's class schedules and much more! Log on to your account today and research all your online account options.
- If you are placed on a waiting list, you will be notified if an opening becomes available. Notification may come as late as the start day of a class.
- Fees must be paid at the time of registration. If paying by check, write a separate check for each class. If only one check is submitted and only a portion of payment is used the remaining balance will be issued as a credit on the customer's account.
- **Fill out the registration form completely.** Enter the full name of participant, email, address, home and emergency phone numbers and age. Sign the form. If possible, submit only one registration form per family.

**Please Note:** Our new registration system verifies residency by a flat file associated with a GIS (Geographical Information System). **Check your residency status by visiting [www.chandleraz.gov/infomap](http://www.chandleraz.gov/infomap).** Unfortunately, customers living in County Islands are no longer eligible to receive resident registration privileges or rates. If you are charged a non-resident fee while completing your registration, we will be happy to re-verify your address. However, if we are unable to verify through our resources you will be asked to provide one, or more, of the following documents to verify residency: most recent year property tax bill, business license and check imprinted with a Chandler address, City of Chandler water and trash collection bill – no more than 30 days old.

There could be a number of reasons:

- You have not properly logged into your account.
- The system is temporarily unavailable due to a large number of users at the same time or system maintenance.

### **How do I enter "Date of Birth"?**

For adults you may either enter your birthdate or select "Age Category". For all customers under the age of 18 a birthdate MUST be entered.

**Some customers may already have an account with Active Net®** due to Membership and Permit transfers. ## Living Tree Donation Program

Through the City's Living Tree Program, you can help beautify our City parks, while celebrating life, by planting a tree! You can plant a tree in tribute of a wedding, birth of a child, anniversary, or to honor the memory of a loved one. Just donate money towards the purchase of a special tree, or donate a live tree to the City of Chandler Parks Division. We will then arrange for the park site and planting of the tree, as well as the tree maintenance. All living tree donations are tax-deductible.

For more information visit [www.chandleraz.gov/Content/LivingTreeBrochure.pdf](http://www.chandleraz.gov/Content/LivingTreeBrochure.pdf) or call, 480-782-2753.

## Adopt-A-Park Program

The City's Adopt-A-Park Program offers citizens and especially park users, the opportunity to exhibit their pride in the community. It is set up for groups to visit the park of their choice on a regular basis to collect litter and complete other tasks and projects to ensure the park is kept clean. Local service and youth organizations, church and neighborhood groups can have fun while also providing a valuable community service. Groups can also win awards for their efforts. By adopting a community park, residents are making their parks more beautiful and are extending tax dollars by allowing City parks employees to spend their time on major renovation, repair and maintenance work. For more information call 480-782-2667 or visit [www.chandleraz.gov/parks](http://www.chandleraz.gov/parks).

They lack adhesive lamella on their toes and have tiny claws instead, which gives them better traction in sandy environments. This prevents them from climbing up surfaces easily so they primarily live on the ground. They are unique from other Leopard Gecko species because they can move their eyelids

### ENTOMOLOGY

No pests here! Be an entomologist for a day by studying how insects are a benefit to the environment and to humans. Students will learn about the life cycle of insects, the physiology of their head, thorax, and abdomen, and how insects play a role in pollination, cultures, and biological research.

Homeschool Days are designed for families to learn together while exploring the environment of the Sonoran Desert and sustainability through hands-on learning activities that support the academic standards set by the Arizona State Board of Education.
