A Message from Mayor Jay Tibshraeny

Heading into the fall means cooler temperatures and the perfect time to get back out and play. Our special event calendar ramps up as well with a number of great events planned for the whole community. They include the annual Halloween Spooktacular, Chuck Wagon Cook-Off and the dog friendly WoofStock. We also honor the diversity in our community with Hispanic Heritage Month activities and the Indian Art Market.

Break Time is also full of great ideas for new interests, sports and fitness programs with the hundreds of classes, leagues and activities that we offer. There are also a great number of learning opportunities available at our Museum, Environmental Education Center, Senior Center and four public libraries.

Earlier this year, Chandler earned the title of "Playful City" by the nonprofit organization, KaBoom! It is the 10th straight year we have earned the honor – one of just a dozen cities nationwide to accomplish that. And one way to put you and your family on a path to better health is by attending the Mayor's Day of Play on Saturday, October 22nd at Tumbleweed Park, from 9 a.m. to 1 p.m. This annual event is filled with free activities and vendors that will help you recognize the importance of fitness, health and wellness. It fits perfectly with my Health Connect initiative and it is an ideal morning that will have something of interest for the entire family. I hope to see you there.

Remember to follow me on Twitter @jaytibshraeny. And as always, I invite you all to come out and play Chandler!

Sincerely,

Jay Tibshraeny
Mayor

Reservations can now be made online at
www.chandleraz.gov/fieldrentals

IMPORTANT NOTE:

Ball field reservations can be made within seven days of the desired reservation date and must be paid for at the time of reservation. Online ball field reservations for the seventh day will begin at 8 a.m. Customers must create an ACTIVE Net® account before making a reservation.

Rainouts: In an effort to help reduce unnecessary repairs and maintenance to City owned fields, fields will be considered unplayable if the following conditions exist:

1. Water standing on the infields of ball fields or goal mouths/ midfield of multipurpose fields
2. Where grass is sparse or field is worn badly and ground is saturated
3. Turf can be displaced or dislodged from the ground
4. Mud cakes or clings to shoes
5. Steady rain is falling
6. Dirt (infield) areas are muddy

If any of these conditions exist, then the practice will be canceled, or game rescheduled. Poor weather conditions leading to cancellations will result in a credit on the Permit holder's account or refund. It is the responsibility of the permit holder to contact the City and cancel any field lighting immediately after canceling games or practices so that utility costs are not incurred and lighting fees can be refunded. Failure to do so will result in the forfeiture of light charges by the permit holder.

If you are charged a non-resident fee while completing your registration, we will be happy to re-verify your address. However, if we are unable to verify through our resources you will be asked to provide one, or more, of the following documents to verify residency: most recent year property tax bill, business license and check imprinted with a Chandler address, City of Chandler water and trash collection bill – no more than 30 days old.

CHANDLER NAMED "PLAYFUL CITY USA" FOR 10th STRAIGHT YEAR!

into children's lives. The organization, KaBOOM! recognized Chandler and other cities who put their children's well-being first by recognizing the power of play. A primary goal of Playful City USA is to encourage cities to share creative ideas, concepts and programs in an effort to increase play opportunities for children.

▼ ONLINE REGISTRATION/RESERVATION SOFTWARE FAQs ▼

What is an online registration and reservation system?

Our online registration and reservation system allows customers to register via the Internet for most of our classes and programs and now allows customers to make ball field and pavilion rentals! The system is available to residents 24-hours a day, seven days a week, except during times the system will be taken down for maintenance. The exception is online ball field reservations, which will be accepted from 8 a.m.-11:59 p.m.

Why did Chandler's Community Services Department switch to a new registration and reservation system?

The old system had reached its end of life and was no longer being supported. This new system provides new technology and benefits including:

- The ability to make reservations for pavilions and ball fields online.
- Multiple ways to search for programs and activities.
- Allows customers to create "Wish Lists" which will help streamline your registration process.
- Sign-up for text message or email notifications for timely activity-related messages and information.
- The ability for customers to manage their account with access to schedules, payment/transaction history, recover password electronically, etc.

Why do I need to set up a new account?

We have implemented a new hosted software program called ACTIVE Net®, which requires all customers to create a new account in order to use the system. Our old software program will no longer be available and all history associated with the program will no longer be available.

How do I create a new account and add a child or other family members to my account?

Go to www.chandleraz.gov/registration and click on "Create Account" tab and complete the "application" with head of household or adult information. Complete all fields with an asterisk (*) which are required fields. Once the required information is complete click "submit". If you need to add additional family members, click "Submit and add Family Members".

What if I already have a City of Chandler ACTIVE Net® account?

Go to www.chandleraz.gov/registration and click on "My Account". Enter your Login Name (your email) and enter your password. Click "Sign-in". You are now ready to register for an activity, reserve a pavilion or ball field, or change/search or account information.

What if I forgot my login name?

ACTIVE Net® uses your email address as your login name. It will always be the email you registered with.

What if I forgot my password?

You may now recover your password electronically. From the home page click on "My Account". Under "Already have an Account" search for "Password" and click "Forgotten". You will receive an email message and directions on how to set-up a new password.

How do I change my address?

Customers are unable to perform an address change online. You must contact a staff person to complete a change of address. You will be asked to provide resident documentation.

What if I do not have an email address or home computer?

You may visit any of the four Chandler Public Libraries to set up your free personal email account. A reference librarian can assist you. We also have scheduled our registration to start at 10 a.m., which allows individuals without computers to go to a public library or other agency and use their computers. For more information on how to establish a free email address, call 480-782-2803.

Do I need a credit or debit card to use online registration/reservation?

Yes. In order to complete your online transaction(s) and confirm your enrollment, you must pay by credit card or debit card. The City of Chandler currently accepts Visa, Master Card and American Express.

Can I withdraw (refund) my child from a class/activity online?

Yes. Customers now have the option of online withdrawals. To complete an online activity withdrawal, please complete the following steps: Login to My Account > Go to the List of Prior Transactions > search for the registration you want to withdraw from. You may have to click on "registrations" and fill in the dates if you do not see the activity. Click Withdraw > click Add to Cart to proceed and complete transaction. Proceed through the Shopping Cart and Confirmation pages.

Can I transfer my child from a class/activity online?

Yes. Customers now have the option of online transfers. To complete an online activity transfer, please complete the following steps: Login to My Account > Go to the List of Prior Transactions > search for the activity you want to transfer out of > click Transfer for the activity that you want to transfer into. Confirm the participant for the new activity, enter any necessary additional information and confirm the new activity's fees (the normal process). Proceed through the Shopping Cart and Confirmation pages to complete the transaction.

Why doesn't my registration work online?

There could be a number of reasons:

- The class is not open for registration at the time you are trying to register.
- Some classes require special registration data and, therefore, are not available for online registration. Classes that are not available for online registration will have a symbol of a crossed-out computer by the class description.
- You have not properly logged into your account.
- The system is temporarily unavailable due to a large number of users at the same time or system maintenance.

How do I enter "Date of Birth"?

For adults you may either enter your birthdate or select "Age Category". For all customers under the age of 18 a birthdate MUST be entered.

Some customers may already have an account with Active Net® due to Membership and Permit transfers. Should you already have an account, your login will be the email account you used to purchase a membership or punch pass from the Tumbleweed Recreation Center, Chandler Aquatics and/or purchase a permit (ball field, beer, etc.) from Chandler Parks, Recreation and Aquatics.

To obtain your password you will need to either call or come into one of our recreation centers to speak with a staff person or recover your password electronically. See details above.

SWIM LESSON CLASS DESCRIPTIONS:

The ages listed on page 22 are for basic guidelines only (exception the Seahorse, Otter, and Surfer classes). Your child may be more or less advanced than the suggested ages. A general rule of thumb is that children will remain in the same level for at least two sessions. Do you need to know what level to register for next? Your child's current instructor can provide detailed information. Place your child by skills and abilities. We have adjusted the ages on our On-Line registration processes to assist you. The ages listed for the Seahorse, Otter, and Surfer class will be strictly adhered too. The descriptions on the class list are available to assist in educating our customers on the variety of classes the Aquatic Program has the capability of offering. Some classes may not be offered during our fall, winter, and spring lesson programs

INCLEMENT WEATHER POLICY

If classes are cancelled by the Aquatic Office or Pool Manager due to a storm, the classes will be made up on a date to be determined. If more than two classes are cancelled, and cannot be made up, a prorated credit will be placed on your registration account.

SWIM LESSON CLASS DESCRIPTION

What class level should I register my child for? The Aquatics Program offers new online video clips for parents. They provide a quick look at what skills your child should be able to perform at different class levels. Customers may also stop by during public swim hours and request a swim lesson placement test. All swim lessons follow the American Red Cross' Learn-to-Swim Aquatics Program.

Beginner Classes • 25 minutes

These courses are designed to teach young swimmers basic water safety, water adjustment and swimming skills. Participants will grow more independent in the water.

Instructor-to-student ratio for the Tadpole, Shrimp and Duck classes are five (5) swimmers per instructor.

TADPOLE (3-5 years)

This course is designed for children with little to no water experience.

Prerequisites: Child must be potty-trained and participate independently (parents/guardians are NOT in the water).

Participants will learn how to enter and exit the water safely, submerge fully, blow bubbles, float on front/back and do basic arm/leg movements (all skills performed WITH support).

SHRIMP (3-6 years)

This course is designed for children who are progressing with basic swim skills.

Prerequisites: Pass Tadpole OR can be without parent/guardian in water, comfortably submerge and float on front/back with support.

Participants will learn how to submerge, retrieve submerged objects, float on front/back, perform simultaneous arm/leg movements on front/back and glides on front/back (all skills performed WITHOUT support).

DUCK (3-6 years)

This course is designed for children who are independent swimmers of short distances on front and back.

Prerequisites: Pass Shrimp OR can float on front/back independently for 5-10 seconds AND swim independently for at least 10 feet on front/back.

Participants will refine freestyle and backstroke skills (especially rotary breathing), learn independent glides on front/back for 15 feet and learn deep water safety skills.

Semi-Private Swimming Lessons 45 minutes

A more intimate swimming lesson experience.

Instructor-to-student ratio for semi-private swimming lessons is three (3) swimmers per instructor.

LEVEL A BEGINNER:

These are children who generally fall into our Tadpole, Shrimp, and Duck classes.

LEVEL B INTERMEDIATE:

These are children who generally fall into our Seahorse, Otter, and Turtle classes.

LEVEL C ADVANCED:

These are children who generally fall into our Frog, Fish, and Porpoise classes.

Intermediate Classes • 50 minutes

These courses are designed for independent swimmers who can swim 10 yards on their front/back. Participants will learn new strokes, continue to refine freestyle and backstroke skills and learn deep water safety skills.

Instructor-to-student ratio for the Seahorse class is six (6) swimmers per instructor; Otter and Turtle classes are eight (8) swimmers per instructor.

SEAHORSE (4-6 years)

OTTER (6-8 years)

Note: These two courses have the same curriculum; the only distinctions are the age range of class participants and the instructor-to-participant ratio.

This course is for independent swimmers who are developing basic strokes.

Prerequisites: Pass Duck OR can float on front/back independently for 5-10 seconds and swim independently on front/back for at least 10 yards.

Participants will increase endurance and develop freestyle/backstroke, swim and glide independently for 15 feet, learn deep water safety skills and be introduced to butterfly kick.

TURTLE

This course is for swimmers who are proficient in freestyle and backstroke for at least 10 yards.

Prerequisites: Pass Seahorse OR Otter OR can swim freestyle with proper rotary breathing for 10 yards and swim elementary backstroke with proper technique for 20 yards.

Participants will continue to refine these strokes while increasing endurance; they will also learn butterfly kick, deep water safety skills and basic dives from the deck.

Ask us about our American Red Cross Centennial Funding Fee Assistance Program!

Advanced Classes • 50 minutes

These courses are for proficient swimmers of freestyle and backstroke and are designed to teach new strokes, basic diving skills and deep water survival skills.

Instructor-to-student ratio for the Frog, Fish, Porpoise and Marlin classes are eight (8) swimmers per instructor.

FROG

Prerequisites: Pass Turtle OR can swim freestyle and backstroke with near-perfect technique for at least 15 yards AND can tread water for 30 seconds in deep water.

Participants will continue to increase endurance in freestyle and backstroke, and will learn sidestroke, elementary backstroke and basic deck-level dives.

FISH

Prerequisites: Pass Frog OR can swim freestyle and backstroke with excellent technique (at least 25 yards each) and can swim sidestroke and elementary backstroke (at least 15 yards each).

Participants will learn breaststroke and butterfly, while refining sidestroke and elementary backstroke. They will also learn new deck-level dives and continue to build endurance in freestyle and backstroke.

PORPOISE

Prerequisites: Pass Fish OR can swim multiple 25-yard laps of freestyle and backstroke, more than 15 yards of elementary backstroke and breaststroke, and at least 15 yards of butterfly.

Participants will continue to refine all six strokes while increasing endurance. They will also learn shallow dives, open turns and flip turns.

MARLIN

Prerequisites: Pass Porpoise OR can swim at least 50 yards each of freestyle and backstroke, at least 25 yards each of breaststroke, butterfly and elementary backstroke.

Participants will build up to swimming 500 continuous yards while refining technique in six strokes. They will also learn springboard diving fundamentals and basic principles of fitness swimming.

Parent & Child Classes • 25 min.

These courses are designed to encourage water comfort and safety for young swimmers.

Prerequisites: An adult or guardian MUST accompany the child in the water during each class session. Children are required to wear swim diapers under their swimsuits.

Parents and children will be led through water exploration activities together; this is NOT a learn-to-swim or water survival class. All classes are limited to 10 participants per instructor.

PARENT-INFANT (6-18 months)

Participants will practice water entry and exit, comfort in the water in various positions, breath control (blowing bubbles) and basic arm/leg movements.

PARENT-TODDLER (18-36 months)

Participants will build on Parent-Infant skills and will focus on growing more independent in the water, underwater exploration and performing multiple skills at a time (i.e.: simultaneous arm AND leg movements).

Specialty Beginner Classes • 50 minutes

Designed for participants who are 7 years+ and have little to no swim lesson experience.

SURFER (7-13 years)

Participants will learn the Tadpole, Shrimp and Duck class curriculum in a safe and welcoming environment. Classes will be tailored to older children; the goal of this course is to teach the skills needed to bridge new swimmers into the mainstream curriculum detailed above.

TEEN/ADULT (14 years+)

Participants will learn how to be comfortable in water, submersion and the basics of the freestyle stroke in a safe and welcoming environment. Instructors will work with participants to gain confidence in the water and achieve personal goals.

Adopt-A-Park Program

The City's Adopt-A-Park Program offers citizens and especially park users, the opportunity to exhibit their pride in the community. It is set up for groups to visit the park of their choice on a regular basis to collect litter and complete other tasks and projects to ensure the park is kept clean. Local service and youth organizations, church and neighborhood groups can have fun while also providing a valuable community service. Groups can also win awards for their efforts. By adopting a community park, residents are making their parks more beautiful and are extending tax dollars by allowing City parks employees to spend their time on major renovation, repair and maintenance work. For more information call 480-782-2667 or visit www.chandleraz.gov/parks.

NEIGHBORHOOD PROGRAMS

Neighborhood Mediation Services

In partnership with the Arizona Summit Law School, the City of Chandler Neighborhood Programs Office is proud to offer a free neighborhood mediation service to Chandler residents. Mediation allows Chandler residents to voluntarily participate in a conflict resolution process outside of a court system. With trained and certified mediators with knowledge of conflict resolution, this service strives to provide an accessible medium for neighbors to voice their concerns in a civil manner and jointly reach solutions that reinforce positive community values between neighbors. As both an awareness program and City service, mediation provides an inexpensive, but quality experience for facilitating sustainable solutions to ongoing conflicts that may arise within neighborhoods.
