Article I. RIGHTS

Section 1-1: EMPLOYEE ORGANIZATION RIGHTS

- A. SEIU Arizona Local 48 is the authorized Meet and Confer representative for the purpose of representation regarding wages, hours, benefits and other conditions of employment, for all regular full-time and regular part-time non-initial probationary, non-supervisory employees in the Labor and Trades bargaining unit. SEIU will equally and fairly represent all employees in the unit.
- B. All unit members shall have the right to participate on behalf of or engage in activities on behalf of SEIU and have the right to refrain from such activity. Employees shall be free from any interference, restraint, or coercion by any employee, supervisor or manager in the exercise of such right. Violations will necessitate disciplinary action.

Section 1-2: RELEASE TIME

Certain specified representatives of the union have the right to paid release time herein as follows:

- A. SEIU may designate up to 8 representatives and shall notify the Human Resources Director or designee in writing of such designations and re-designations. No more than two (2) of the eight (8) total representatives will be employed in any single division of a department. The City will not change or adjust an employee's permanent regular work schedule or assignments solely as a result of such designation, however at SEIU's request and with mutual agreement of the City, SEIU and the employee, modifications shall be made in designated representative

work schedules and assignments in order to accommodate for the time needed to fulfill designated representative responsibilities.

- B. City/Union business is defined as activities involving the union during a union representative's normal work/shift and work hours (e.g. Monday through Friday 8 a.m. to 5 p.m.) in which the City, through its representatives, is a participant. Such activities include any grievance hearing, disciplinary meeting with an employee, City committee or task force established by this M.O.U., Meet & Confer process meetings and other mutually agreed upon meetings. The City and Union will discuss and may mutually agree to allow a Union representative to discuss with an employee during an employee's normal work hours/shift other matters of mutual concern to the City and the Union.

During the term of this Memorandum of Understanding, SEIU unit members will also be released from duty with full pay and benefits when participating in authorized City/Union business.

The SEIU representative is required to obtain permission at least forty-eight (48) hours in advance from their immediate supervisor to be absent from duties to attend scheduled City/Union meetings with exception of disciplinary meetings. In exceptional circumstances, the notice time may be waived. Subject to operational needs and scheduling factors this permission shall not be unreasonably withheld. Employees will not be compensated when such duties described in this section occur outside their normal work shift.

- C. Union-only business is defined as activities involving the union during a union representative's normal work/shift and work hours (e.g. Monday through Friday 8 a.m. to 5 p.m.) in which the City, through its representatives, is not a participant.
- D. On July 1, 2013, a bank of 905 hours of paid union release time hours shall be established to be used by SEIU representatives as authorized by SEIU for the purpose of conducting union-only business. Any hours not used by June 30, 2014, shall be rolled over for the second year of the Memorandum. Any unused union release hours will expire on June 30, 2015.
- E. Beginning July 1, 2014, a unit member may contribute accrued vacation to be placed in a Union leave time bank for use by the Union to engage in legitimate Union business. The following conditions shall apply to the leave bank.
 - 1) The Union shall supply the City with a Release Hours Authorization Form, which includes the name of the unit member and the number of hours of vacation donated by the unit member into the leave time bank.
 - 2) The donating unit member shall sign the form before it is submitted to the City.

- 3) The City shall withdraw the bank hours from donating members' vacation balances in the 1st full pay period in July.
- 4) Until revoked in writing by the unit member, the executed Release Hours Authorization form provides the unit member's authorization for vacation hours to be withdrawn from the unit member's vacation balance in July of every year.
 - a. A unit member may revoke his or her authorization for the donation of vacation hours by submitting written revocation to the SEIU Chairperson who will forward to Human Resources no later than June 1. The revocation shall apply prospectively to the vacation donation scheduled to take place in July.
 - b. An individual who is hired or transferred into an SEIU-represented position after the withdrawal of donated vacation hours in July, and who executes a Release Hours Authorization form, may elect at that time to have the vacation hours withdrawn from his or her vacation balance: (i) in the first full pay period after receipt of the Authorization form by the City, or (ii) the following July. A new unit member who elects to have vacation hours withdrawn before July, will have additional hours withdrawn in July.
 - c. The Release Hours Authorization of a unit member shall be automatically revoked when the individual is no longer in a position covered by this MOU. The revocation shall apply only prospectively to the vacation donation scheduled to take place in July.
- 5) Donated hours in the leave time bank shall be used in the same manner as Union release hours and may only be used by SEIU representatives as authorized by SEIU for the purpose of conducting Union-only business as defined above in Section 1-2 (C).
- 6) Human Resources shall keep a record of all time donated and used.
- 7) Any unused donated hours in the Union leave time bank may be carried over from one fiscal year to the next.
- 8) The Union shall indemnify, defend, and hold harmless the City against any and all claims made and any actions brought against the City arising from or related in any way to the actions taken by the City to comply with any of the provisions of this Section 1-2 (E).

Section 1-3: USE OF FACILITIES/SERVICES AND TRAINING

A. Solicitation, Distribution, and Use of Facilities and Services

- 1) SEIU representatives shall be allowed reasonable contact with unit members on City premises (grounds and facilities) before and after scheduled working hours or in a non-work area during scheduled work hours provided that the unit members are on their own time (i.e. lunch, approved breaks) and so long as such contact will not interfere with any work operation or the safety and security of any worksite.

All SEIU representatives including International, Local, and City employees must schedule all group meetings with a supervisor 48 hours in advance and check in under all circumstances with the appropriate supervisor as soon as they have arrived. All visitors will be required to conform to the safety regulation of the worksite.

- 2) The City shall provide SEIU with space for bulletin boards of up to 4' by 3' (width by height) for the exclusive use of SEIU in mutually agreeable locations in areas frequented by employees in each main facility where unit members are employed. Authorized SEIU representatives shall have the sole and exclusive right to post any notice of activities and matters of SEIU business on these bulletin boards which is not in violation of any City law or abusive of any person or organization. SEIU may grieve any removal by the City of posted material.
- 3) In order to foster good communications among represented employees, the City shall post the approved Memorandum of Understanding on the City's Human Resources internet page and intranet page under Labor Relations.
- 4) In recognizing the Union's responsibility to represent all of the employees of the represented bargaining unit, SEIU may send meeting notices, via the City's e-mail system and bulletin board updates via the City's inter-departmental mail system.

Additionally, SEIU may send via the City's e-mail system and the City's inter-departmental mail system messages related to City business of which SEIU is a participant with the prior review of the Human Resources Director or designee. Examples of such City business include but are not limited to Labor-Management meetings, and other projects and committees that are a joint effort of both the City and the union.

- 5) SEIU shall have the right to meet with newly hired unit members or an employee moved into a SEIU position, on City time to discuss the rights and benefits under the MOU for one-half (1/2) hour during new hire orientation or at the work location with prior approval from the unit member's supervisor.

The City shall provide SEIU with regular notification of newly hired unit members and any employee who is moved into an SEIU-represented position, including the title of the position hired or moved into, employee number, and cost center. The City shall provide regular notification to SEIU of those employees who are no longer SEIU unit members because of death, retirement, promotion, or separation from the City.

- 6) The City shall not unreasonably deny SEIU requests for unpaid leaves of absence of up to 3 months for unit employees to engage in SEIU business.

B. Labor Relations Training

Annually, the Union or Human Resources may hold a training/discussion session to familiarize attendees with the terms of this MOU and discuss other labor relations issues. Elected union representatives and/or appointed designees will attend this meeting as well as invited supervisors and/or appointed City designees.

Section 1-4: CITY AND MANAGEMENT RIGHTS

The City and the City Manager's rights are not subjugated or diminished in any way by any express or implied duty or obligation to meet and confer. Retained management rights are not subject to the grievance procedure contained in any Memorandum of Understanding, nor are they subject to any other appeal or complaint process.

- A. The City has and will continue to retain, whether exercised or not, the unilateral and exclusive right to operate, administer, and manage municipal services and the workforce performing those services. The City retains all rights not specifically limited by this Memorandum of Understanding.

- B. The exclusive rights of the City shall include, but not be limited to, the following:

- C. The enumeration of the above rights is illustrative only and is not to be construed as being all-inclusive.
- D. The City's rules and regulations, administrative directives, departmental rules and regulations, and work place practices shall govern employee relations unless there is a specific conflict with this Memorandum of Understanding. Where a specific conflict exists, the Memorandum of Understanding shall govern.
- E. This Memorandum of Understanding cannot conflict with the Meet and Confer Ordinance or any other law.

Section 1-5: DUES DEDUCTIONS

The City shall furnish quarterly, or as requested, a listing of all bargaining unit members and of SEIU members on City payroll deduction for union dues. Included with each employee's name shall be the employee's current job assignment, and work location. SEIU agrees to use this list solely for purposes of communicating with bargaining unit members and will not share this information with other individuals or organizations.

The City agrees to deduct membership dues, fees and assessments as authorized in writing by employees and to transmit such amount to SEIU no later than the fourteenth (14th) day following the end of the pay period in which the deduction occurs. Membership dues will be deducted from all twenty-six (26) paychecks of SEIU members only when the employee's earnings for such pay period are sufficient after other legally required deductions are made. SEIU reserves the right during the term of this agreement to increase the amount withheld for all employees pursuant to any generalized dues increase passed according to the SEIU Constitution or the Local 48 bylaws and agrees to give the City notice of any such increase; any cost for implementing such changes shall be reimbursed by SEIU at actual cost incurred by the City.

The City assumes no liability on account of any action taken pursuant to this section. The City will, as promptly as technically possible, implement corrections brought to its attention. SEIU agrees to indemnify, defend and hold the City harmless for taking action in conformance with this section.

Authorization for membership dues deductions herein under shall remain in effect during the term hereof unless revoked in writing by the employee to be effective the following payroll period. The City will notify SEIU by e-mail of any revocations of authorizations for membership deductions or other supplemental union deductions within three (3) business days of receipt.

An employee may request in writing that the City deduct from his/her paycheck a voluntary contribution of \$3.50 or \$5.00 per pay period. This contribution may be started or stopped at any time, but once stopped the employee may not request another contribution until the following MOU year.

Section 1-6: SENIORITY

- A. Seniority shall be defined as the status obtained by length of City service within the classified service. Seniority is cumulative when an individual is demoted under the rule. City service must be continuous to be considered except if an employee is rehired within two years of separation from City service.
- B. In the event that the City of Chandler has to lay off bargaining unit employees, and the employees choose to utilize the "bump" option to another classification, the employee's City seniority date with the City of Chandler will determine practices concerning vacation, overtime, scheduling, and shift selection.

Section 1-7: JOB SECURITY

In the unlikely event that during the term of this agreement the City anticipates a possible layoff of bargaining unit employees, the possible contracting out of any bargaining unit work, or the curtailment of bargaining unit services provided to the citizens of the City of Chandler, the following provisions shall apply:

- A. Notification to SEIU: The City shall advise SEIU in a timely fashion, in no case less than 60 days prior to layoff of bargaining unit members or the issuance of a Request for Proposals, of its intent to lay-off unit members or of recommendations for contracting of work presently being performed by unit members which would result in a reduction in the number of permanent unit positions. SEIU may request an opportunity to discuss these recommendations and to consider alternatives in the Labor-Management Committee prior to any final recommendation to the City Council. Failure by the City to notify SEIU under this article may be subject to the grievance procedure of this MOU. The management recommendations and final decision by the City shall not be subject to the grievance procedure of the MOU.
- B. Alternatives to Layoff: In lieu of layoff, qualified employees will be given the opportunity to transfer to vacant City positions in the same classification or demote to lower classifications in accordance with the Personnel Rules. Temporary employees, including those hired through a temporary employment agency, performing bargaining unit work that does not require specialized skills will be laid off before a bargaining unit employee is laid off in the same job classification.
- C. Notice to Employees: A minimum of thirty (30) calendar days' notice shall be provided to any employee subject to layoff. The notice of layoff shall specify the reasons for the layoff and inform the affected employee of his or her bumping rights as well as recall rights. A copy of the layoff notice shall be provided to SEIU.
- D. Layoff: When a position has been abolished due to reorganization, lack of funds, lack of work, or in accordance with Personnel Rule 2, Section 6, or a position must be used to provide work for an employee demoted during promotional probation, then the employee occupying such position shall be laid-off.
- 1) A laid-off employee may request, in writing, to be placed in a position of the same classification in any City department. An employee in the same class who has the least seniority with the City shall be laid off and the laid off employee with the greater seniority will be placed in the position.
 - 2) When no position of the same class exists within the City or all employees in the class have greater seniority than the laid-off employee, the employee may request, in writing, to be placed in a lower class within the same job family. The lower class may be in any department of the City. When such a request is made, the Human Resources Director or designee shall determine if the employee meets the minimum qualifications and can perform the essential functions for the requested classification.
 - 3) When the laid-off employee meets the requirements to be placed in a lower class, an employee in the class who has the least seniority with the City shall be laid-off and the laid-off employee with greater seniority placed in the position.

- E. Layoff Register: The City will maintain a layoff list; names of laid-off employees, and employees electing a demotion in lieu of layoff, shall be kept on the layoff list for two (2) years. A layoff register is one which includes the names of persons who were laid-off from a class pursuant to these rules, and whose names were placed on the register by the Human Resources Director after written request by eligible applicants. The City shall provide the required form for requesting inclusion on the layoff register upon notifying the employee of their being laid off. Layoff registers are maintained in seniority order relative to the length of service of the former employee.

An employee who has been appointed to a position in a lower class as a result of a layoff action may be placed on the layoff register for the higher class or classes formerly held. An employee returning to a higher class under these conditions shall not be considered to be promoted. When a vacancy occurs in the classification from which an employee has been laid-off or demoted in lieu of a lay-off, notice of such vacancy will be sent to employees on the lay-off list. The vacancy will be offered to employees on the lay-off list in order of seniority before the City recruits applicants for the position. Employees who are eligible for recall shall be given at least fourteen (14) calendar days' notice of recall; notice of recall shall be sent to the employee by certified or registered mail with a copy to SEIU. If an employee is recalled to a position in a lower-rated job classification, he or she shall retain the right to return to the job classification he or she held prior to being laid off, in the event it subsequently becomes available within two (2) years of the recall date.

Section 1-8: UNIFORM DISCIPLINARY PROCESS

- A. Unit members have the right to be represented by SEIU and to have one (1) SEIU representative present during the disciplinary process, including at any meeting or work-related reprimand which the member reasonably believes could and/or would result in disciplinary action being taken against that member. The disciplinary process does not apply to an interview of an employee during the normal course of work, counseling, instruction, informal verbal admonishment or other routine or unplanned contact with a supervisor. The unit member will have a reasonable amount of time to obtain union representation.

An employee subject to suspension, demotion, or discharge shall be entitled, prior to the imposition of that suspension, demotion, or discharge, to a notice which states the specific reasons for the proposed discipline, with sufficient specific information to enable the employee to understand the reasons and the right to respond either orally or in writing; and to representation.

- B. An employee subject to suspension, demotion or discharge shall be entitled, upon request, to a Personnel Fact-Finding Group meeting as outlined in Rule 5 § 6 of the Personnel Rules. A (02) of this rule is changed to the "SEIU Chapter Chairperson or designee".

The SEIU Chapter Chairperson or designee may not serve on a fact finding group if

he/she has a direct connection with or works in the same department as the employee who's appeal is being heard. Prior to imposing a demotion or discharge, except in egregious circumstances, the City will implement progressive discipline steps, including (a) verbal counseling, (b) written counseling, (c) written reprimand, (d) suspension. An employee may not be disciplined or discharged without just cause. The grounds for discipline and types of discipline imposed are not grievable matters under this MOU.

Any disciplinary action against an employee shall be initiated no more than fifteen (15) workdays after the later to occur of the following; (i) the date the City learns of the alleged conduct upon which the discipline is based, or (ii) the completion of a diligent and timely investigation during which the conduct that is the basis for the discipline is discovered, confirmed, or disclosed., This timeframe for commencing disciplinary action shall not apply to disciplinary actions for conduct which would constitute a violation of City, State, or Federal law. For the purposes of this provision, discipline shall be considered initiated as of the date of the disciplinary letter or the advance notice of discipline where required.

- C. In the event of a search of an employee locker or personal property, an authorized union representative will be present unless the union representation is declined by the employee.
- D. Wherever possible, the City shall offer training or other alternatives to discipline when it involves performance issues to assist with a unit member's improvement. This provision shall not be subject to the grievance procedure of this agreement.
- E. If an employee is placed on a formal performance improvement plan, the employee shall receive a written plan of action from the employee's supervisor. The plan of action may include, mentoring, training, improvement options, and/or goals. There will be regularly scheduled meetings (minimum monthly) with the supervisor to assess performance, and progress will be documented in writing.

Section 1-9: PERSONNEL RECORDS REVIEW

- A. Only one (1) official personnel file shall be maintained on any single unit member. The official file shall be located in the Human Resources Division unless another location is designated and the member is notified in writing. Each member shall have the right to review the contents of his/her official Human Resources or Department file upon request. Nothing may be removed from the file by the member, but copies of the contents shall be provided to the member at his/her request. Copies in excess of 100 pages may be at a charge of 10 cents per page.
- B. With the written permission of the employee, a representative of the Union may review the member's official Human Resources or Department file and obtain copies of the contents upon request. Copies in excess of 100 pages may be at a charge of 10 cents per page.

- C. A unit member shall have the opportunity to review, sign and date any and all material prior to its inclusion in the official Human Resources or Department file except routine matters chronicling job and pay changes. The member may also attach a response to such materials within thirty (30) days of receipt. All material in the file other than routine matters chronicling job and pay changes must be signed and dated by the author. The City may transmit documents to the employee at the employee's last known address by means of U.S. mail or hand-delivery, except disciplinary notification, which must be sent by certified mail when the employee is on leave.
- D. The employee may include in his/her official personnel file material relevant to his/her performance of assigned duties and/or relevant to professional development.
- E. Documents relating to disciplinary actions, including written letters of reprimand, demotions or suspensions, which are three (3) or more years old shall not be considered for any promotion, transfer, disciplinary or other corrective action. Should the same or similar infraction occur within three years of the original, the new discipline may refer to the original.

Counseling forms or memos are not disciplinary actions and shall not be placed in the official Human Resources file.

- F. Any public request for documents relating to an employee's employment shall be communicated promptly to the employee. Confidential personal information shall be redacted prior to such submission, including the following:

- Address
- Phone number
- Social Security number
- Any personal account numbers
- All family member information

Article II. LABOR-MANAGEMENT RELATIONS

Section 2-1: LABOR-MANAGEMENT COMMITTEE

- A. There shall be a Labor-Management Committee consisting of up to four (4) representatives of SEIU from the Labor & Trades employee groups and up to four (4) representatives of the City, and an additional representative of SEIU and the City's Human Resources Director or Designee who shall be the chairpersons. Additional representatives may attend if mutually agreed upon. The purpose of the Committee is to facilitate positive labor-management relationships by providing a forum for free and informal discussion of mutual concerns and problems, which may include discussion of the implementation of major new programs or substantial modifications of existing major department programs that will have a significant

impact on service delivery, work schedules, or duties.

- B. The Committee shall meet at the request of either party, at mutually agreed upon times. Labor-Management meeting shall be held within fifteen (15) business days of the request to meet, unless the parties mutually agree to extend the date. The requesting party shall submit a proposed agenda at the time of the request. Departmental Labor-Management committee meetings may be held by mutual agreement.
- C. SEIU representatives who are unit members shall not lose pay or benefits for meetings mutually scheduled during duty time.
- D. Before the City enacts any new or revised Personnel Rules and prior to Human Resources putting into effect any new or revised Administrative Regulations or policy amendments, SEIU will have an opportunity to review, meet to discuss, and comment on the proposed changes. This provision excludes updates to policies that are required as a result of changes in Federal or State law.

Section 2-2: HEALTH & SAFETY

- A. The City of Chandler acknowledges its responsibility to provide safe, healthy work environments for City employees and users of City services. Every employee has the right to safe and healthy working conditions. Every employee acknowledges they have a responsibility to work in a safe manner and follow the safety rules and regulations. Upon request of SEIU, the City will meet with SEIU to discuss and address safety concerns relating to the facilities where employees are assigned to work. If the representative of SEIU is a unit member, such representative shall not lose pay or benefits for meetings mutually scheduled during duty time.
- B. Where the unit member has a good reason to believe that a work assignment presents health and safety risks outside of those normally associated with the work which may harm his/her life or limb, he/she may refuse to begin or continue a work assignment until reviewed by the Safety Coordinator or his/her designee. The work assignment will be investigated by the Safety Coordinator or his/her designee in conjunction with the employee and supervisor. Employees shall not be subject to discipline or retaliation for exercising this right unless it is determined by the Safety Coordinator or his/her designee that the employee's refusal was not based on a good-faith belief of a threat to health or safety.

The supervisor shall further consider and discuss the grievance with the grievant and the grievant’s representative, if any. Within five (5) workdays of having received the written grievance, or following the meeting, whichever is later, the supervisor will submit a response thereto in writing to the grievant.

If the written response of the Division Manager does not result in resolution of the grievance, the grievant may appeal the grievance in writing to the Department Director within five (5) workdays of the grievant's receipt of the Step 3 response.

The Department Director shall hold a meeting within five (5) workdays of receipt of the grievance regarding the grievance at which the grievant shall be afforded the opportunity to fully present his/her position. Within five (5) workdays of the meeting, the Department Director or designee shall submit his/her response to the grievant and the grievant's representative, if any.

By mutual agreement, the parties may request to submit the grievance to the HR Director or designee for internal mediation in Step 4. The grievance, as originally written, and the attached responses from the immediate supervisor and the Division Manager must be submitted to the HR Director or designee within five (5) workdays of the receipt of the Division Manager answer. The HR Director or designee shall, within ten (10) workdays of the receipt of the grievance, meet with the Department Director or designee and the unit member and representative in an attempt to resolve the grievance. The HR Director or designee shall then submit written recommendations for resolution to the unit member and the Department Director within five (5) workdays of the meeting. Within five (5) workdays of the receipt of the recommendations, the Department Director or designee shall submit a response to the grievant and the grievant's representative, if any.

Step 5

If the grievance remains unsettled, within fifteen (15) calendar days of receipt of the Department Director's response the grievant and SEIU may request in writing to engage in non-binding mediation. The mediator will be one of the commissioners from the Arizona office of the Federal Mediation and Conciliation Service.

Step 6

If the grievance remains unresolved, the grievant and SEIU Local 48 may jointly, in writing, within ten (10) workdays from the conclusion of mediation, to submit the grievance for review by an arbitrator. The parties or their designated representatives shall agree on an arbitrator and if they are unable to agree on an arbitrator within a reasonable time, either party may request the Federal Mediation and Conciliation Service to submit to them a list of seven (7) arbitrators who have had experience in the public sector. The parties shall, within ten (10) workdays of the receipt of said list, select the arbitrator by alternately striking names from said list until one name remains. Such person shall then become the arbitrator. The arbitrator so selected shall hold a hearing as expeditiously as possible at a time and place convenient to the parties, and shall be bound by the following:

- i. The arbitrator shall be bound by the language of the Memorandum and departmental rules and regulations consistent therewith in considering any issue properly before him.

- iii. The arbitrator shall be bound by applicable Federal, State and City law.
- iv. The arbitrator shall submit findings and advisory recommendations to the grievant and to the City Manager. The City and SEIU shall equally share the joint costs of the arbitration. - v. The City Manager shall, within ten (10) workdays of the receipt of the written findings and recommendations from the arbitrator, make the final determination of the grievance and submit it in writing to the grievant and his/her designated representative.

The grievant and SEIU may elect to by-pass arbitration and submit the unresolved grievance directly to the City Manager. The City Manager shall have ten (10) workdays from the receipt of the grievance to make a final determination of the grievance and submit it in writing to the grievant and his/her designated representation.

The City Manager may extend the time limits for the response by giving written notice to the grievant and representative, if any.

D. Representation

One SEIU representative shall be released from duty with full pay and benefits to provide employee representation in any grievance meeting of a unit member if requested by the unit member.

The representative shall have no conflict of interest in the issue being grieved. If the City reasonably believes there is a conflict, SEIU will be contacted and another representative will be mutually agreed upon to act as the representative.

E. Time Limits and General Provisions

Failure of City Management representatives to comply with time limits specified in Section C shall entitle the grievant to appeal to the next level of review; and failure of the grievant to comply with said time limits shall constitute abandonment of the grievance; except, however, that the parties may extend time limits by mutual written agreement in advance.

F. Union Grievance

SEIU Local 48 may, in its own name, file a grievance that alleges violations by the City of the rights accorded to SEIU by the specific terms of the Memorandum. SEIU shall file such grievance with the Human Resources Director or designee within ten (10) workdays of the occurrence prompting the grievance.
