Dawn Lang, Deputy City Manager | CFO *DLW*

From: Matt Dunbar, Budget & Policy Director *MD*

Subject: Fiscal Year (FY) 2025-26 Resident Budget Survey

The Budget Division recently completed the annual Resident Budget Survey as one of the steps taken toward the preparation of the FY 2025-26 Budget. The data collected from this survey will be very useful as the new year's budget is developed. Six basic demographic/general satisfaction questions formed the core of the survey this year, followed by two optional funding priority exercises and eleven additional questions centered on the Council Strategic Framework Focus Areas. Residents could also submit free-form comments regarding the Focus Areas.

The survey was open from November 25, 2024, to January 10, 2025, and was available on the City's website and in paper form for those without access to a computer. The electronic and printed versions of the survey were available in English, Spanish, and Mandarin. The Communication and Public Affairs Department (CAPA) promoted the survey through the City's website, CityScope, press releases, and all social media platforms. In addition, staff sent targeted emails to groups (city boards and commissions, recreation center users, and library users), with reminders to take the survey, and created signage and postcards with QR codes for the survey at recreation centers and libraries. The total participation was 1,343 completed surveys with 2,474 comments, comparable to the 1,135 completed surveys with 1,768 comments in the prior year.

Attachment 1 provides a blank copy of the survey, a summarization of residents' responses to the first six questions, a five-year history of the five main budget survey questions, and the responses to the Focus Area questions with written resident comments. Please note the comments are listed exactly as written, with only personal identifying information removed where found; the comments have not been edited for spelling, capitalization, punctuation, or language, although translations were completed.

The survey is a key part of the public input aspect of preparing the proposed budget for FY 2025-26. Opportunities for public input or discussion on the proposed budget will also include the upcoming workshops, all-day Budget Briefing to Council on May 2nd and Council meetings and

Page 2

Public Hearings where the proposed budget will be considered and ultimately adopted on June 12th. Public input is always welcomed by contacting staff or councilmembers directly, or providing feedback on the city's budget webpage.

The survey results have been distributed to all department/division directors and will be available online at chandleraz.gov/budget by February 14, 2025.

Please contact me at x2256 or Dawn Lang at x2255 if you have any questions about the survey.

22	Same as most other surrounding cities	1/5/2025 7:31 PM
23	We have seen an increase in robberies and assaults in the West Chandler area, as well as instances of homelessness in the 56th Street and Ray Road area. Generally, the city does a good job, but we can see this becoming more of an issue. Not certain what the answer is, but we believe the homeless can't remain on the street -- for their safety and those in the community.	1/5/2025 5:43 PM

153	The Chandler Citizen review board is a positive thing to keep Chandler police accountable; however, in the first quarter of 2023 the number of cases before the review board increased significantly (than in prior years) and then tapered off by fourth quarter. Even though Chandler has a lower rate of crime than the national average, the crime and arrest rates have increased these past years. So, there is concern for safety. As the City continues to grow, I think there may not be enough police officers to handle the increased needs by the community. I have lived in Chandler for over 30 years and have always known Chandler to be very good about maintaining the roads. However, these past few years, I have encounter more large pot holes in the roads than ever before. These potholes are dangerous for drivers and bad on the vehicles that drop into them. There is a very large pothole on Ray Rd between the 101 and McClintock Drive that has been developing over the past year. This past year there were numerous medians engulfed with the highly invasive weed , Stinknet, which can pose a serious health risk for people with respiratory issues, cause dermatitis when touched, and is highly flammable. The rush of air passing medians can make the pollen airboard, as well as spread the seeds. So this is a potential public safety issue to not address the weed.	12/19/2024 5:56 PM

223	I support the installation of more surveillance cameras near city-owned parks, critical infrastructure, and facilities. Furthermore, despite their political unpopularity, any radar or photo enforcement of select speeding zones are appreciated.	12/9/2024 5:19 PM

Especially if gated communities have continuously broken gates. Everyone deserves to feel safe in their home.	12/6/2024 12:01 AM
247	City needs to stop allowing homeless people standing on the streets and bagging for money. They should be moved to shelters and other places to get them the help they need. The Fire Department and especially the EMS must have the resources and better and new equipment to help people in distress. We are paying for this. Hire more well qualified professional police officers not some random people to negotiate with criminals. Some streets intersections like the W. Ray Rd and N. Coronado St need more police officers or cameras to stop people from	12/5/2024 10:09 PM

250	I'm not informed enough to comment. Chandler PD is likely still having recruitment concerns. Consideration might be given to issuing take home vehicles to Patrol. My last conversation with a command level officer revealed that most officers have to commute long distances to work within the city. Take home vehicles provide more police presence, accountability, and non-taxed benefits to the officers possibly enabled enhanced recruitment and more importantly retention.	12/5/2024 12:16 PM

255	Police need better deescalation training. I've seen cashiers calm down irate customers better than police. How can anyone feel safe when a call for help may put the wrong person at risk? Also they need to learn to take better notes, sometimes reading the reports reads like when someone uses talk to text and it can't figure out the correct words. It looks unprofessional.	12/4/2024 10:38 PM

283	My interactions with Chandler police have been mostly positive. They returned my stolen bike. That was the first time a police department ever recovered a stolen item for me.	12/2/2024 9:22 PM
284	I had an incident where a bike was stolen from my property. I submitted a police report as I have cameras around my property and would have provided photos of the male suspect, had they taken the time to ask anything about my report, other than the basic questions I answered. Within a few days of filing my report, it was closed with no explanation or further inquiry. I am a single woman living in my home and this level of service does not make me feel confident in our Police Department. I understand this was a minor theft to them, but it was important to me and how it was handled was not acceptable as a resident.	12/2/2024 8:43 PM

290	We need more police enforcement on the roads. We have people dying from red light runners, speeding, not yielding to people in crosswalks, speeding through school zones, and just about any other traffic rules.	12/2/2024 2:36 PM
291	The city government moves to slow. Public Safety and their projects should be a priority, yet they get bogged down in studies and pet projects for the Council and City Manager's office.	12/2/2024 2:06 PM

293	The city is doing a terrible job. We cannot afford to allow all these apartments to be built and expect to be safe. It is terrifying. We are already a busy town and adding 3 more high rise apartment complexes in the next year within a 3 mile radius of our home is forcing us to leave. The police and fire department aren't going to be able to support this growth and make us feel safe.	12/2/2024 9:39 AM
294	Just keep it a priority for training and recruitment	12/2/2024 8:45 AM
295	With the mass migration boom over the last 3-4 years, (mainly out-of-state moving here) the crime has increased tremendously. The population density is through the roof, and this will increase crime quickly.	12/2/2024 7:47 AM
296	I think Chandler should focus on hiring qualified professionals for public safety positions and then provide ongoing training in community support services.	12/2/2024 7:38 AM
297	We need a training plan and program for ebikes. Children driving e-bikes on roads and sidewalks are ages 8-14 and they drive in front of cars on the road and then on sidewalks which almost run people over. We need laws and training on safety.	12/2/2024 6:41 AM

299	Unfortunately, the City continues to put more effort into to keeping areas in the south and west areas of Chandler safer than the older areas around downtown.	12/2/2024 3:08 AM
300	I feel that Chandler has more than adequate public safety programs	12/2/2024 2:23 AM
301	More patrols for visibility so the people undermining this nice city feel unwelcome instead of everyone else hoping it doesn't get worse. I saw a young hispanic man parked in the firelane at Fry's on Alma School right on the crosswalk where the disabled parking spots are and told him he wasn't allowed to park there as I was going in to get groceries, he immediately threatened to get out of his car and beat me to death me in front of maybe 10 or 12 other people. It was like 11am, broad day light. He couldn't have been older than 25. I defused the situation by walking away but that is what is coming here lately. I'm a grown man, I can't imagine how a child or a woman would feel in that situation. We all deserve to go shopping for food in peace.	12/2/2024 2:06 AM
302	As stated before, the police are out of control and need to understand their role in the community as actual protectors. Everybody knows that police only make every situation they encounter worse by trying to gain "control" and they never listen to what a person says. They regularly violate our rights and push it far past their duties. We citizens hate the police. Nobody trusts them.	12/2/2024 12:41 AM
303	Safety is my highest priority. If you need more personnel to address smaller quality of life type crimes like cars being burglarized at night, porch pirates, etc. please fund it! Chandler should gain a reputation as a place where criminals steer clear of.	12/2/2024 12:30 AM
304	Good	12/1/2024 11:41 PM

307	Riggs road is a speedway, there has to be more speed enforcement. Now that the Indians have build their casino at Gilbert and Hunt, they screwed up that intersection. Each direction needs a turn lane. All the increased traffic is tearing up hubby highway. The rez needs to do their part or Chandler needs to shut that intersection down completely.	12/1/2024 10:27 PM
308	Traffic enforcement with live officers is nearly nonexistent. Criminal speeding and red light running are normal occurrences.	12/1/2024 9:42 PM
309	Don't use police as traffic directors.	12/1/2024 7:53 PM
310	Richer neighborhoods, "Ocotillo," get more attention than the rest of Chandler—really! Money and rich people buy your decisions. It's obvious—change it, now!	12/1/2024 7:39 PM
311	Chandler highly compensates their Public Safety Personnel, as reflect in their MOU approved by council. There should be no need for improvement with the rates they are paid, Chandler pays too much to have the best of the best.	12/1/2024 7:20 PM
312	Appreciate the focus of the police department on educating officers in handling cases where there are autistic adults/children involved. We have had a fantastic experience.	12/1/2024 7:19 PM

330	We're two years in to living in Chandler and are impressed by so much. Info is well communicated. Wish people didn't drive so crazy and also wished people yielded to yellow lights, but that's on people. Not the city. So keep up the good work. Please know we love the tumbleweed tree.	11/30/2024 5:38 PM

336	More training in conflict management and dealing/identifying those with disabilities/mental health issues. Should work way more on the financial crime side, follow the money and you'll not only find more bad guys but the sentencing for financial crimes is often harsher than the physical act of committing the predicate offense.	11/30/2024 8:37 AM

344	School zones are not patrolled. Speeders along Dobson are and Queen Creek are insanely fast, but rarely see cops patrolling. Lots of police cars helping put in fiber optics. But no stops for speeding. When Intel changes shifts, they race down Dobson to the 202.	11/29/2024 12:55 PM

350	I had a person in the city telling me we should don't have very many police officers in Chandler like we used to. Then I started to see in my opinion what the problem was we went from black-and-white cars to white cars. There are some chief of police who believe that the black and white is not a deterrent. I find that chief of police to be a little behind times and not up-to-date on how the black and white actually offered a deterrent because they were well seen so I think moving from the black-and-white to the white was a huge mistake	11/28/2024 7:26 PM
351	Well! To be straight honest! They are doing a crappy job. When ever there is a holiday that allows fireworks. The police do nothing to enforce the laws. High aerial fire works and let off fireworks after designated time. I have seen patrols driving by people's homes that are breaking the law. The police just drive by with out even pausing to talking to anyone about the misuse of fireworks that are illegal.	11/28/2024 4:27 PM

Connectivity

1. Bicycle Infrastructure (87 comments)

- Major Themes Include: Appreciation for existing bike lanes and paths. Like the recent bike path extensions. Good incorporation of bike lanes in newer streets. Need more protected/separated bike lanes. Current bike lanes unsafe due to proximity to fast traffic. Need better connectivity between bike paths. Bike lanes need additional maintenance. Need more off-street bike paths.
-

2. Public Transportation (85 comments)

- Major Themes Include: Positive feedback about Chandler Flex service. Appreciation for current bus service where available. Support for existing transit options. Need enhanced service in south Chandler. Need more bus routes and frequency. Need better bus stop amenities (shade, seating). Service hours too limited. Transit takes too long compared to driving.
-

3. Road Infrastructure & Maintenance (76 comments)

- Major Themes Include: Appreciation for recent repaving projects. Good street maintenance in some areas. Well-maintained major arterials. Starting to see more potholes. Construction projects take too long. Traffic signal timing could improve.
-

4. Light Rail (25 comments)

- Major Themes Include: The desire for light rail connection to Phoenix. Support for future light rail expansion as it would help reduce traffic. Some opposition to light rail. Some concerns about cost and crime.
-

5. Walkability & Pedestrian Infrastructure (45 comments)

- Major Themes Include: Appreciation for pedestrian improvements. Desire for more crosswalks. Concerns on dangerous crosswalks on major streets and discontinuous sidewalks. The need for more shade for pedestrians and enhancements to pedestrian connectivity between neighborhoods.
-

6. Traffic & Congestion (42 comments)

- Major Themes Include: Appreciation for traffic management efforts. Some frustrations due to the increased congestion from new developments and apartments. Desire for better traffic flow management and concerns about growth outpacing infrastructure.
-

7. General Connectivity (29 comments)

- Major Themes Include: Overall satisfaction with connectivity. Appreciation for multiple transportation options. Support for future planning. Desire for better connections between different parts of city. South Chandler feels disconnected and West Chandler needs more attention. Desire for better integration between transportation modes.

Q13 Please provide any comments related to how the city is doing in its efforts to improve Connectivity

#	RESPONSES	DATE
1	Very slow to date. 1. Provide string rebates for e-bikes (especially long distance, heavy - capacity (groceries, etc.)) 2. More walk/ride trails and vias. 3. More green space needed in old downtown neighborhoods.	1/15/2025 3:16 PM
2	Need diverse transit model: 1. free ride circulators within specified area (eg, downtown shuttles). 2. Rail system (streets, light rail). Solve our parking and pollution issues by eliminating the need for the source of the problem. (Boo Cars) Wake up! you are so far behind in this area.	1/15/2025 3:01 PM
3	n/a (we can't travel without a car. City transit not exitance to me)	1/15/2025 2:14 PM
4	Bike paths are great but placing excessive curbing in the road seems like a waste of funding. Of course the response you 'd likely make is "well, if 1 life is saved".	1/10/2025 10:10 AM
5	Public transport can facilitate travelling of citizens	1/10/2025 7:40 AM
6	I not sure how to answer this exactly. I do think that signage at the various bus stops should include info re: city codes (picking up dog poop, posting signs on light poles, proper recycling techniques, etc) in large enough print so that drivers can see it when driving by. Not everyone gets the utility bill on hard copy to read about various city codes.	1/9/2025 7:29 PM
7	Connectivity is fine however increased transit and inexpensive fares does allow more "criminals element " to get into nicer areas and cause problems.	1/9/2025 5:55 PM
8	More bike trails needed. Paseo trail is not enough.	1/9/2025 1:06 PM
9	Express bus/carpool routes on the 101 to Mesa & Scottsdale	1/9/2025 9:15 AM
10	I see Chandler Flex signs. Thank you.	1/8/2025 6:35 AM
11	I like that the City has increased bike paths and lanes and that more City busses are available (I wish they were utilized more to reduce traffic on streets). I would like to see where all the bus stops have their own private lane to prevent cars backed up behind the bus creating traffic hazard at the lights.	1/7/2025 9:58 PM
12	It could do better. Improve bike areas around major intersections using under/over passes.	1/7/2025 7:32 PM
13	Bike lanes are a waste of tax dollars, very few people use them due to safety concerns and still ride on the sidewalks. Making wider sidewalks might be a solution for bikes.	1/7/2025 5:24 PM
14	The streets need continuous improvements. Wish Chandler built street islands 20 to 30 feet wide and then enforced the maintenance of the plants on the islands. So many islands which were once nice and green are today bare and not very attractive. Maybe this is a code enforcement issue.	1/7/2025 1:29 PM
15	Chandler is moving backwards by building tens of thousands of apartment units. Traffic has gotten noticeably worse in the past few years. The number of cars clogging the streets seems to have doubled in the past 3 to 5 years.	1/6/2025 9:40 PM

21	Well maintained streets facilitate commerce, medical assistance, safety, and community mobility. 1) Plz consider laws that prevent blocking of streets in protest. 2) Please maintain community streets. 3) Flex pickup for the handicapped is an important service. As we age we lose our ability to drive yet cannot afford other methods of safe transportation. 4) Also, laws that specify hospital to hospital transport is important. 6 ft 6 tall ill people should not be transported in 'smart cars' 'gumdrops' etc. There needs to be a real standard of safe transport.	1/5/2025 7:43 PM
22	Same as other cities	1/5/2025 7:31 PM
23	The section of Ray Road between I-10 and Kyrene Road has been paved! Thank you! Now we need to get to work on paving in the adjacent neighborhoods! It really raises the quality of life and property values in our communities.	1/5/2025 5:43 PM
24	expand Chandler Flex to cover all of Chandler.	1/5/2025 3:11 PM
25	streets are too wide; bike lanes are needed	1/5/2025 10:47 AM

27	So far there have been many projects on and around Chandler Blvd - now they need to work on Ray or I will lose my car in the potholes. Chandler Blvd and McClintock is very dangerous - people don't seem to understand that flashing yellow light means yield. Please consider Left turn on green arrow only.	1/4/2025 5:00 PM
28	We need more protected bike lanes	1/4/2025 2:46 PM
29	Chandler Flex is an amazing program	1/4/2025 9:00 AM

32	I like how the newer streets incorporate bike lanes and am happy with the level of city street maintenance.	1/3/2025 2:55 PM
33	There should be more signaled pedestrian crosswalks across minor arterials such as Alma School, Warner, Dobson, etc. especially in school zones that cross over minor arterials in the city. The safety of our children is priority and we cannot expect a child's only option to walk an extra mile down (and back up) the road (in 110+ heat) to safely cross a busy road to get to school.	1/3/2025 2:34 PM
34	I don't know what was done in the past or what direction the future holds	1/3/2025 1:01 PM
35	Bike and walking trails could use improvements especially on the bigger streets such as McQueen Queen creek	1/3/2025 10:30 AM
36	The change Chandler/Dobson plaza is a great success.	1/3/2025 7:53 AM
37	I see city buses and no riders on them	1/3/2025 7:49 AM
38	Most traffic accidents I see involve light runners especially with a left turn against oncoming traffic. Changing the left turn light to red before the oncoming traffic light turns yellow/red could help possibly	1/3/2025 6:29 AM
39	Expand the City's transit system area to south east Chandler to provide transportation to the various city centers & businesses	1/3/2025 6:01 AM
40	More walkable areas	1/2/2025 11:23 PM
41	Need better coordination of all street projects to prevent congestion	1/2/2025 9:55 PM
42	It would be nice if Chandler had a shuttle service to within the city.	1/2/2025 9:36 PM
43	Good but could be better	1/2/2025 8:38 PM
44	No light rail to Chandler	1/2/2025 7:18 PM
45	Maintain streets but don't need any light rails	1/2/2025 7:10 PM
46	Roads are good. I am worried about the city trying to go "green" and change many Fri Inc lanes to bike lanes that hardly anyone would use. I think it would be better to expand sidewalks and split them to one side for walking and one side for biking.	1/2/2025 6:46 PM

49	Keep loading up McQueen with warehouses. Create an exit off of 202 in Hamilton so that all big trucks can utilize that for traffic	1/2/2025 5:57 PM
50	Generally doing well. Dedicated bike lanes or other insulation from numerous reckless drivers would help bike commute options. Bike commuting is generally not safe given today's drivers.	1/2/2025 3:49 PM
51	Need to stop building multi-level apartment buildings, I back up to Frye and can no longer sit on my back patio because of the increased traffic noise from all the new apartment complexes along Frye. You ask us to preserve water usage, how much water do you think these apartments will use?!!	1/2/2025 2:25 PM
52	Forward-thinking innovation in transit and open space usage will be vital as Chandler continues morphing and maturing.	1/2/2025 12:00 PM
53	I think safe bike lanes are important, but see a need for flashing lights at pedestrian and bike crossings. Something that provides more notice that someone is crossing a major road like that near Ocotillo/McQueen where a pedestrian was hit and killed in the crossing. There are more children than ever on bikes commuting to and from school so bike lanes keeping children safe is a high priority.	1/2/2025 6:11 AM

61	having rail system for commuters	12/31/2024 3:31 AM
62	Linda Sawyer and Les Minkus presented a platform for residents to have the right to speak and all public meetings. Unfortunately, this has not been highly publicized which suggest to me that the city is not looking for the opportunity to connect with residents, otherwise they would advertise and encourage residents to becoming engaged in their community.	12/30/2024 2:35 PM
63	Don't know much about projects on this area	12/30/2024 2:31 PM
64	More safer bike lanes	12/30/2024 1:28 PM
65	I believe Chandler does an excellent job with road upkeep and signage. I find the street signs posted ahead of the main intersections very useful.	12/30/2024 1:09 PM
66	We have bike lanes. It is not important to install charging stations that are extremely expensive and take 5-10 years to pay off. That's an additional tax we do not want to pay. The road paving isn't going well. It's as if it has to happen every other year. Maybe it's time to contract a different company. Chandler road develops pot holes every other month and while they are patched they reappear	12/30/2024 11:34 AM
67	Chandler height between Gilbert and Lindsey. Lindsey between Ocotillo and Queen Creek. Both of the streets need to be completed with two lanes going in each direction. It's ridiculous that they're not completed yet.	12/30/2024 6:49 AM

80	Need to repair streets with big cracks and pot holes first	12/27/2024 10:40 PM
81	DO NOT waste millions of taxpayer dollars on light rail. It would be much better to use the money for buses which are flexible about routes and times. For example, some buses from Casa Grande to Intel would probably be filled at peak commute times.	12/27/2024 9:37 AM

104	Increase local public transportation.	12/23/2024 8:27 PM
105	I believe Chandler should dedicate more funding and resources to bike lanes, trails, and pedestrian accessibility. As a transit user and pedestrian, I generally feel unsafe crossing and walking along streets.	12/23/2024 3:35 PM
106	Focus on sustainability to improve connectivity	12/23/2024 3:34 PM
107	Not aware	12/23/2024 2:32 PM
108	Disappointing, embarrassing and absurd that a municipality of this size and importance has virtually—and from a practical standpoint—ZERO connectivity to any mass transit, especially in the southeast. Even more aggravating is the fact that even with the vaunted reputation of encouraging private sector and public-private partnerships, for whatever reason, there doesn't even seem to be any signs of an expansion of Waymo service in the entire southeast section of Chandler. At the very least there should be bus service on South Gilbert Rd extending from E. Riggs Rd or Hunt Highway to points north of the 202 and/or to downtown Chandler.	12/23/2024 9:55 AM
109	Finish projects timely please	12/23/2024 6:07 AM
110	Somewhat good	12/22/2024 7:50 PM
111	I believe that there should be more protected bike lanes. The canal paths are a great option, but paint is not protection, and as a bike commuter a few times a week, I often feel unsafe in bike lanes with vehicles going 50+ mph just feet (and often inches) away from me.	12/22/2024 6:22 PM

153	More paths and walkable options with water sources and shade.	12/19/2024 11:42 AM
154	Most people travel by personal car and that's not going to change. It's terribly unsafe for people to be riding bikes along streets 2 feet apart from people going 45+ mph in a car. We need better bike alternatives than riding a bike alongside a car. It's scary. Also, I saw a plan that you're going to use space in Downtown Chandler for a big bus hub. Please do NOT bring more buses into Downtown Chandler. It'll be too noisy, dirty, and unneeded. Also, there has been wayyyy too much construction in Chandler, specifically Chandler Blvd and Frye Rd this year. The extended length of the construction was unreasonable.	12/19/2024 11:39 AM

been abandoned because there is (the City is allowing) building on every available square inch of Chandler already), and paths.

159	Would be good to have dedicated bike lanes that are blocked off	12/18/2024 5:58 PM
160	Most streets are pretty good with ramps, sidewalks and bike lanes. Would be nice if the bike lanes were swept more often as lots of rocks and garbage tend to accumulate there. For future repaving, where the street meets the curb concrete, please make that flat. Frequently there is a large bulge there that has to be avoided and limits the size of the bike lane.	12/18/2024 10:25 AM
161	Very good!!!	12/17/2024 7:21 PM
162	I live right around Jacaranda Dr in Ocotillo. The bicycles, joggers etc. are an absolute nuisance and continually violate all traffic regs— joggers in the bike lane, bikes in keep out lanes etc. An accident waiting to happen. If anything, the so called “enhancements” lead to a less tangible and safe traffic environment. And holding a bicycle run at least twice a year around the whole town so that everyone is inconvenienced for the sake of a small minority’s hobby is truly a stupid idea. It would be great to cancel that nuisance as soon as possible!	12/17/2024 5:46 PM
163	Too many holes in the street need to crack down on motorcycle lane splitting	12/17/2024 4:50 PM
164	Not certain	12/17/2024 2:27 PM
165	City is doing good, but please enforce rules to prevent E-bike from zipping at high speeds on side-walks and green areas in parks. Most of these teens show up after dark doing wheelies, with no park ranger ever in sight.	12/17/2024 11:43 AM

It's helpful when I am out of a car and the bus wants me to walk 15 minutes to the nearest stop, then get off and walk 20 minutes to the next one etc. the bus routes as a whole are pretty terrible. Sin embargo, hace falta que haya un mejor manejo de horarios y disponibilidad de vehículos y conductores. Con frecuencia ha sido difícil para mí encontrar un vehículo disponible después las 5 de la tarde al llegar a Chandler Park&Ride mientras que hay vehículos parqueados que no están brindando el servicio. It seems to me that the Chandler Flex initiative is an accessible and economical way to facilitate people's mobility. However, there needs to be better management of schedules and availability of vehicles and drivers. It has often been difficult for me to find an available vehicle after 5pm upon arriving at Chandler Park&Ride while there are vehicles parked that are not providing service.	12/1/2024 10:35 AM

1	Old downtown neighborhoods do not experience "economic vitality". Residents in the new apartments/condos will already be financially strong when they (attempt to?) gentrify our area after moving alongside us.	1/15/2025 3:16 PM
2	All I see and experience in Pueblo Viejo is low-wage service jobs. We need some of that economic vitality in our neighborhood. You think "code violations" when forced to consider us. but when it's budget time, you don't think of us at all. Viva Pueblo Viejo!	1/15/2025 3:01 PM

13	Longer runway at the airport would help the Chandlers economic vitality in the area as well as increase tax revenue.	1/7/2025 5:24 PM
14	Wish the airport development area had more retail and corporate businesses. I think Chandler is allowing too many of those large industrial buildings into the airport area. A few of the large industrial like buildings are fine especially if in the interior of the airport business development area, but the city is allowing too many and along major roads. These buildings are not attractive.	1/7/2025 1:29 PM
15	The city is wasting money on non-productive projects such a public housing and social programs. Meanwhile, the city and school district want a half billion dollars in bonds for fixing the schools. How about no bonds and provide needed school repairs by stopping wasting taxpayer money?	1/6/2025 9:40 PM

46	Chandler does not have any high end restaurants and grocery stores and should focus on getting us an AJ's again or another Cooper's Hawk in the center of the city, not at the malls on the outskirts. Good dining is so hard to find in this city.	1/2/2025 6:29 PM

91	We appreciate Chandler's efforts to encourage business, keep the city safe and maintained. In the past commercial code enforcement has been too heavy-handed and cost multiple new commercial businesses thousands of dollars that were unnecessary. Ask the owners of Rudy's BBQ on Chandler & I-10, even to the point of aesthetics by your Code Enforcement to locate an electric panel inside and "hide" a rooftop fire ladder, against code. This is not the only business to have suffered "Code Enforcement".	12/22/2024 11:47 AM

111	I don't believe that is the hub since Chandler is so large. We have high tech industry, and our entertainment base is growing, but I feel like we do not always address other business opportunities. For example, Scottsdale is know for housing nearly all of the industry insurance companies and they provide many jobs. I just feel like we miss opportunities by not trying to draw those types of businesses.	12/20/2024 1:22 PM

121	Chandler has done a great job bringing in a variety of businesses and job opportunities. However, as the City continues to grow, more diverse jobs will be needed. The electric grid needs to be able to handle this influx of businesses and residents. The stations and sub-stations are close to capacity. There is always be a concern with the water situation, and it's not clear what is the best course of action to take to secure water for the future. I think Chandler had some great foresight when it made decisions about securing water, but there is no doubt there will be growing challenges in the future.	12/19/2024 5:56 PM
122	There are MANY empty strip malls around Chandler and I don't feel there's been a strong attempt at filling these locations. For instance. Kyrene/Chandler- the old Walmart grocery store has been closed for YEARS and the entire corner is now practically empty.	12/19/2024 11:35 AM

124	Muy bueno Very good	12/18/2024 10:36 PM
125	NO need to spend money on attracting more business to Chandler. The additional development costs current residents / taxpayers money, NOT the developers. The City is built-out, so STOP trying to cram more businesses, apartment buildings, and people into the existing space.	12/18/2024 6:05 PM

128	The City Council has abdicated any and all of its inherent responsibility and duty to act in the interests of all residents. It has shamefully sold out long term residents to large business interests that have ruined the city and the genuinely beautiful place to live that it once was. Opportunists on the City Council have aided and abetted an unbridled level of corporate dominance within the community. Even the question is formulated in such a way to suggest that only business interests matter in this community. Despicable.	12/17/2024 5:46 PM

313	The city does a phenomenal job of providing resources for economic vitality, but education is also important. We need early childhood care and strong public education to support the thriving economic opportunities in our area. I appreciate what the city does as far as providing internships and partnering with the school district and community college, but I am concerned that without more early childhood resources we won't have the workforce necessary to sustain our economic growth.	11/27/2024 8:02 AM

Neighborhoods

1. Housing Development & Affordability (115 Comments)

- Major Themes Include: Support for a mix of housing options, including single-family homes, town homes, and condos. Appreciation for efforts to increase housing supply to meet demand. Calls for more affordable housing for seniors and young families. Some opposed to apartment construction, particularly high-density developments. Concerns about rising housing costs making Chandler unaffordable. Concerns that affordable housing and Section 8 developments will reduce property values.
-

2. Code Enforcement & Neighborhood Maintenance (98 Comments)

- Major Themes Include: Support for city-led clean-up programs, including alley maintenance and bulk trash pickup. Appreciation for effective code enforcement. Calls for stricter enforcement of signage and business advertisements on residential streets. Concerns about vacant lots, abandoned vehicles, overgrown yards, and poor alley maintenance.
-

3. Neighborhood Infrastructure & Safety (72 Comments)

- Major Themes Include: Positive feedback on well-maintained roads, street lighting, and public spaces. Support for increased shade structures and landscaping improvements. Appreciation for efforts to keep neighborhoods clean and safe. Concerns about seeing more potholes and deteriorating streets. Older neighborhoods seem neglected while new developments receive attention. Calls for better traffic enforcement and solutions for congestion from overdevelopment.
-

4. Homelessness & Social Services (42 Comments)

- Major Themes Include: Support for increased services to address homelessness. Encouragement for repurposing vacant buildings for temporary housing and would like to see more mental health and job training programs. Concerns that homelessness is increasing, particularly near public spaces and shopping centers. Some opposition to using taxpayer funds for public housing or low-income developments. Desire for stronger enforcement to address panhandling.
-

5. HOA & Non-HOA Neighborhoods (45 Comments)

- Major Themes Include: Appreciation for well-maintained HOA communities, with a desire for increased city support in non-HOA neighborhoods. Recognition of HOA's role in preserving neighborhood aesthetics. Concerns about non-HOA areas not receiving adequate code enforcement and city services.

1	1. Our house participates in dumpster days. It has helped us a lot. 2. I like the neighborhood program code enforcement postcards I would receive regarding alleys, vegetation, structural upkeep, etc. They gave a deadline, would visit and notify if problems.	1/15/2025 3:16 PM
2	1. Love neighborhood clean-up weekends. (dumpsters are bursting at end!) Give us a "heads up!" reminder postcard prior, so we can prepare. 2. Golden neighbors' events are useful and enjoyable. Nice to talk with my age group and ask questions to city staff.	1/15/2025 3:01 PM
3	Wonderful Code Enforcement program. Though, sometimes it seems they are more lenient in older neighborhoods.	1/15/2025 2:23 PM

7	The older neighborhoods with no HOA will have a ghetto look with various signage posted, "missing pet, garage sale, etc that doesn't get taken down. It shouldn't be posted on light poles, traffic signs to begin with. Along the Western canal there are some dog walkers who bag their dog's poop but then leave it lie near a light pole. I cleaned up more than 6 bags today from Carriage Ln to Price Freeway just today. Maybe better signage by the city regarding these issues with a number to call?	1/9/2025 7:29 PM

10	I was not aware of classes or website information regarding city neighborhood improvements	1/9/2025 9:15 AM
11	In reference to housing options to meet the needs of the residents, I am pleased to see so many new apartments being built. Unfortunately, the price of housing is still extremely high for those who do not qualify for assistance.	1/7/2025 9:58 PM
12	We need less apartments and low income housing, and more single family homes. Code enforcement needs to do a better job at taking down business related signs that are popping up on light poles and stop signs. They are littering the neighborhood with free advertising on home owners property.	1/7/2025 7:26 PM
13	As everyone knows, the cost of housing has skyrocketed. It is increasingly difficult for people to buy houses and rent apartments. It seems as if most the new apartments are luxury apartments in newer areas of the city. More transparency in apartment rents is also needed. There are many hidden fees that are not included in the price when advertising. Fees used to be included in the rent upfront.	1/7/2025 5:57 PM
14	More needs to be done in the area of code inforcement. To many poorely kept properties decrease the values in the area. Downtown Chandler needs major improvements in the areas surrounding the entertainment district. Look to what Gilbert has done to it's entertainment district for suggestions to make Chandler draw people to the area. The South end of Arizona Ave. is a terrible look for Chandler since most people coming to the entertainment district travel from the 202 North!	1/7/2025 5:24 PM
15	Probably too many apartments being built. City needs to do a better job in inspecting and enforcing property maintenance. Sign code does seem like it is being enforced. Police need to enforce traffic violations. I never see the police enforcing speed anymore.	1/7/2025 1:29 PM

20	We are in a non-HOA neighborhood that the north part of the city, and the city doesn't seem to be maintaining much anymore (Traditions East). We've lived in it for 24 years and are sad that it's not a priority for city of Chandler any longer. It seems the city is more invested in South Chandler.	1/6/2025 5:22 PM
21	I don't feel it's necessary to build anymore apartments or homes that have zero lot lines. I think that decreases home values and overcrowds already overcrowded areas. It seems it's too late for that unfortunately.	1/6/2025 6:47 AM
22	1) Keep neighborhood clean-up days in Pueblo Viejo. Early postcard lets us prepare & plan. 2) Focused (block, codes, date/time) Code Enforcement events work well in Pueblo Viejo with prior notification & education.	1/6/2025 3:16 AM
23	Honestly, it seems the city waits for a citizen to complain before being active on properties poorly maintained (Germann and Az Ave for example-that chain linked area on NW corner is a blight recently cleaned up after months of neglect). The area North of the Armory and Germann Rd has had weeds forever. For businesses along Az Ave, help them by using some city dollars to paint them (smoke shops, liquor stores, tattoo parlor, drive in motels (Aloha did a great job). We aren't against them being there-they could be more visually appealing.	1/5/2025 7:43 PM

25	Way too many businesses and commercial properties have let their properties go into a state of disrepair. After months of nagging, McDonalds on the corner of 56th St and Ray finally did some landscape maintenance. What are we doing with the Sandbar??? 60	The city needs to do more to encourage low cost housing options for Chandler residents.	12/30/2024 5:19 PM
61	This is a highly funded department with unacceptable outcome. Allies are not safe, healthy, and put a burden on the residents that have them backed up to their property. Mesa and Phoenix both have improved their alleys and when the staff had the opportunity to be guided by Mesa they said the program was unsuccessful and yet Phoenix adopted the program and have improved their alleys. I asked for lighting in our alleys and was told that the lights would be provided to us, however we had to install them and monitor and maintain them. In a demographic of elder residence that was not a viable solution or acceptable for a city to put that burden on its residents.	12/30/2024 2:35 PM

155	Studies show that many Cities are not meeting the building requirements for the grow occurring in their Cities. Chandler hasn't not kept up with it's need to produce a number of new homes per year over the past 10 or so years. The cost to rent an apartment is outrageous, pushing people to consider purchasing or renting a home, but there aren't enough homes for purchase or rent. And, people can't afford the cost of a home or the ongoing expenses to maintain a home. There needs to be more affordable housing options.	12/19/2024 5:56 PM
156	There are too many apartments going up that are so close to roads. The apartments are only yards from the roads. Better setbacks should be used to ensure a continued feeling in Chandler that we are not being strangled by development. It is often heartbreaking seeing pan handlers but educating citizens that giving money directly to a pan handler could mean support of human trafficking ring/abusers; thus make life worse for the person in need. Citizen education to instead give basic life support supplies like unopened water, snacks, or first aid items to pan handlers is statistically a better choice than money. Education that giving anything directly to pan handlers also may increase the giver's victim vulnerability in the event the pan handler is under control of human traffickers/abusers. 222	I believe in the city's approach and strategy toward maintaining a vibrant and well-valued community. I acknowledge the hard work done by the city's Neighborhood Resources department. Appropriate local ordinances to encourage property maintenance (i.e. clearing weeds etc.) would be my thought to eliminate blighted neighborhoods before they become a trend.	12/9/2024 8:21 AM
229	There are section 8 homes and high end homes. Not a lot of starter (first time buyer) homes. I don't know how the younger generation just starting out can afford to live in Chandler. 240	The city is allowing too many apartments to be built. I moved here 20 years ago and had higher expectations for the city. In the end chandler has turned out to be just an average place. There is nothing remarkable about the city. Many of the commercial developments are not that nice. In the end I live in chandler but most of my shopping and activities occurs in Gilbert. 260	I really think it would be beneficial to the community to enforce lower rents, if we can't have rent control. Almost all one bedrooms in the area are starting at over \$1500 per month and they have extra fees on top of that. If you want the neighborhood to be better, stop letting landlords rip people off. Higher rents means someone is more likely to default on payments, causing them to become homeless and ineligible for a new, safe apartment. Higher poverty in a community leads to higher crime because people can't afford to pay for their necessities.	12/4/2024 10:38 PM

285	While I chose to live in a neighborhood that does not have an HOA, I have noticed that with the influx of residents that do not live here full time their homes are not kept up with the maintenance of the full-time residents. I am not so concerned with weeds in the alley as I am with the front and sides of people's properties. As an example, there was a home newly purchased and was having renovations done just around the corner from my property. Whoever was doing the remodel kept a trailer parked in the street with all the debris that needed to be taken to the landfill. That trailer sat in the street, for months. When it was full, they would haul it off and return it to be filled again. To me, they should have gotten a dumpster and parked it in their driveway but, that gets expensive given the amount of debris they hauled away. I filled out a complaint with code enforcement for the length of time this trailer sat in the street filled with debris. My complaint was closed long before that trailer was removed. It's my understanding that this trailer should not have been parked in the street for this long a period of time, yet it was? It's frustrating to me as a resident in the neighborhood, that I should have to live with this eyesore for such an extended period of time with no action taken by Code Enforcement. To me this is not acceptable.	12/2/2024 8:43 PM

292	I'd like to see more routine code enforcement. Too many abandoned vehicles, dirt/weed front yards	12/2/2024 8:45 AM
293	Liter removal on highways needs to be improved through innovation with community efforts	12/2/2024 8:45 AM
294	The city needs to make affordable housing affordable priority, especially homes, not just apartments.	12/2/2024 7:38 AM
295	Code compliance is not proactive enough.	12/2/2024 6:29 AM
296	Traditional, older neighborhoods are completely ignored in Chandler. And all low income and affordable housing is crammed into these areas to keep it out of others.	12/2/2024 3:08 AM
297	Happy to see the new public housing development	12/2/2024 2:23 AM
298	More affordable housing needed.	12/2/2024 1:45 AM
299	Code enforcement is a joke. If a neighborhood doesn't have an HOA, we don't need local government swooping in threatening fines every time a weed pops up through some rocks after it rains.	12/2/2024 12:41 AM

302	Don't see all neighborhoods, so can't comment on the inforcement	12/1/2024 10:53 PM
303	Look at the streets and ally conditions. Maintenance or lack thereof is destroying block walls and the red brick intersection beautification has turned into eyesores and hazards for motor vehicles, bicycles and pedestrians.	12/1/2024 9:42 PM
304	More affordable housing for first time homebuyers	12/1/2024 8:33 PM
305	You need to make complainers names public to those they file a complaint against. The accused gets no chance to discuss the complaint with the accuser. In addition, as a receiver of fraudulent complaints, it is a waste of our neighborhood/police resources. We bring are travel trailer home and are greeted by police/neighborhood resources within 1.5-6 hours after it's arrival—12+ times in 12 months!	12/1/2024 7:39 PM
306	Do not move low income housing into south chandler	12/1/2024 5:59 PM
307	N/a	12/1/2024 5:49 PM
308	I see parts of the city that clearly haven't had an audit by code enforcement in a long time. I live in an HOA so maybe I expect too much but the West area of Chandler near downtown needs a close look by code enforcement.	12/1/2024 2:34 PM
309	There are areas of Chandler like the trailer park downtown that are full of visible code violations. My neighbor built a large casita behind his house and I called the city planners office and they had no record of a casita being built only a pergola and when I asked if they would come check it out they said not until the inspector closes the permit. That is ridiculous	12/1/2024 2:22 PM
310	None at all. A lot of neighbors are trashed by people and it just makes Chandler super ghetto.	12/1/2024 10:02 AM
311	So much soliciting	12/1/2024 9:11 AM
312	Within Chandler itself, there aren't many places that are affordable for young people who are coming out of college.	12/1/2024 9:00 AM
313	We have actually contacted Code Enforcement and have seen positive results. We live in a non-HOA community so this is important to us. Hopefully staffing levels will improve however.	12/1/2024 8:51 AM
314	We have two neighbors running industrial businesses out of their homes. The equipment, vehicles and mess are an eye sore for the rest of the neighborhood. I would like to see more code/zoning enforcement for this type of thing.	12/1/2024 7:42 AM
315	I believe in the "broken window" theory. If you let dilapidated properties, graffiti, etc exist more will come. And if you keep things "tidy" they will tend to stay that way. Of course this is just my opinion / experience.	12/1/2024 7:11 AM
316	We see too many apartment buildings popping up. This will destroy the suburb nature of this wonderful city, it will add traffic and it will decrease the standards of living for everyone.	11/30/2024 11:42 PM

320	Good job	11/30/2024 2:31 PM
321	Stop trying to put section 8 housing in popular areas. Section 8 housing should be a last resort to people trying to live in society. Making it a permanent, nice option is contrary to the goal of creating successful citizens by taking away the incentive of a better lifestyle.	11/30/2024 1:00 PM
322	Building massive giant buildings next to neighborhoods is not improving them.	11/30/2024 9:14 AM
323	Housing diversity, yes. But the increase apartments and smaller single family homes appear to be creating too heavy of a population. Causing congestion on the roads and overcrowding at events.	11/30/2024 9:14 AM
324	Forgetting older neighborhoods and focusing on new apartments/residence. Old buildings not being utilized	11/30/2024 9:11 AM
325	Make sure everyone is held the same. Don't fine someone for parking in yard, and let the next four neighbors park in yard. North Chandler just needs to get neighborhood cleaned up. Doesn't cost money to clean your front yards.	11/30/2024 8:59 AM
326	More affordable housing	11/30/2024 8:37 AM
327	My neighborhood follows guidelines because of the HOA. I'm not sure what involvement the city of Chandler involvement is with bylaws and community improvement in my subdivision. There is an obvious push to beautify the downtown area neighborhoods.	11/30/2024 7:07 AM
328	.	11/30/2024 12:27 AM
329	I've lived in Chandler for six years, outside of my HOA requirements I have no idea what Chandler requires for zoning and upkeep. Also, I was able to afford a house in 2019, I don't believe with today's market that I could afford to live in Chandler and I not bought a home then.	11/29/2024 11:45 PM
330	Too many neighborhoods on the outskirts are forgotten	11/29/2024 7:25 PM

340	I find a number of vacant lots that are not kept up. I also find the number of front yards that are in bad native cleanup in the city should be able to take some action to that homeowner to at least clean up the front yard and make it look decent a front yard, deters people from buying in that area and also lowers evaluations	11/28/2024 7:26 PM
341	Well! I was complaining about a 2 story shed or work shop in a single story housing development. The structure is too close to the wall. Less than 4ft. Zoning doesn't care. Other homes have "0" clearance for sheds. Zoning indicates that they need 4feet. I had to call the police because a wreck car had been in the street for over 4weeks. And there is another car	11/28/2024 4:27 PM

348	The few interactions that I have had with Chandler PD and it's volunteers in my neighborhood have been positive.	11/28/2024 8:13 AM
349	Over all I find that Chandler is clean and diverse in all parts of town	11/28/2024 6:38 AM
350	Code enforcement has not kept up. Notice multiple houses in bad shape with roofs falling in and nothing is done	11/28/2024 6:22 AM
351	More affordable homes are needed for families. Apartments are crowding Chandler and we need small homes families can purchase.	11/28/2024 6:19 AM
352	Stop with the low income housing that is labeled "diversity" housing	11/27/2024 8:53 PM
353	I suggest making people more aware of improvements available. We got spikes on our light pole to prevent pigeon poop. I wish I had known that was available years ago. The pigeon poop issue is a HUGE problem.	11/27/2024 7:53 PM

364	It would be great to see more ADUs in Chandler. I really appreciate what the city has done with regard to affordable housing, but we could use more. It would also be great to see more multi-generational housing options in our city.	11/27/2024 8:02 AM
365	Storm drain are not properly maintained. Homes have landscaping growing over sidewalks and nothing is being done about it until enough people complain. We need to plant more trees in parking lots as well.	11/26/2024 5:15 PM
366	Too many multiple family housing units. Attracting too many non law abiding citizens	11/26/2024 12:46 PM
367	The city is overly hostile to overgrown gardens and overly lenient on trash and abandoned vehicles. The reduction of free bulk trash pickup has had a negative impact.	11/26/2024 11:08 AM
368	The only improvement I see is in the more expensive new neighborhoods. The improvement in the areas I see is in the affluent people who recognize and see a future here for their families. Quality of Life

1. Parks & Recreation Facilities (150 Comments)

- Major Themes Include: Appreciation for the variety and accessibility of parks and recreation centers. Positive feedback on aquatic facilities and sports complexes. Support for continued investment in recreational programs. Concern that older parks need maintenance and updates. Requests for better upkeep of public restrooms and amenities.
-

2. Aquatic Facilities & Pools (65 Comments)

- Major Themes Include: Appreciation for existing pools and aquatic programs. Requests for more aquatic facilities, including indoor and year-round pools. Concerns about overcrowding at pools, especially in summer. Issues with limited hours, maintenance concerns, and lack of shade.
-

3. Pickleball & Sports Facilities (50 Comments)

- Major Themes Include: Support for expanding pickleball courts and other recreational sports options. Requests for more sports fields, including soccer and baseball fields. Seems to be some over-prioritization of pickleball over other sports. A few complaints about outdated or under-maintained sports facilities
-

4. Parks & Public Space Maintenance (80 Comments)

- Major Themes Include: Appreciation for the well-maintained parks in some areas, along with a desire for continued investment in green spaces and walking trails. Concerns about the declining condition of some parks, including broken sidewalks and overgrown areas, as well as frustration with inconsistent maintenance across different parts of the city.
-

5. Accessibility & Equity in Services (55 Comments)

- Major Themes Include: Appreciation of Chandler’s efforts to provide public recreational opportunities. Suggestions for more senior and disability-friendly programs. Concerns that areas like West and North Chandler are underserved, with a perception that new developments receive more investment than established neighborhoods.
-

6. Events & Community Programs (35 Comments)

- Major Themes Include: Appreciation for community events, concerts, and public activities and support for expanding cultural and arts programming. Concerns that event costs are too high for families along with suggestions to better advertise available programs.
-

7. Homelessness & Public Safety in Parks (25 Comments)

- Major Themes Include: Appreciation for ongoing efforts to reduce litter and enhance safety as well as support for community policing in public spaces. Concerns about the rising homelessness in parks and public spaces.

1	I do not want to go to a recreational center to exercise or play. I want to walk to my school with my neighbors and do it there. We could also take a p.m. class or see art there.	1/15/2025 3:16 PM
2	Newest parks look great, but the older ones downtown are in need of maintenance. Thanks for the free arts and culture events. 1. Sonoran sunset (concerts at veterans Oaises park) 2. Vision gallery exhibition 3. Free summer concert service at Center for the Arts 4. Farmers market (love inclusion of non-food products and service vendors 5. Concerts in the courtyard.	1/15/2025 3:01 PM
3	If there are vibrant opportunities for seniors, I am unaware of any offered, especially during daylight hours.	1/15/2025 2:18 PM
4	Plat more shade trees that will survive in the AZ heat by consulting with arborists.	1/15/2025 2:14 PM
5	10 months of summer. You could take the excess employees from the city dump. Instead pay for pool area maintenance and train more people to lifeguard besides June til mid August. The pumps are running year round. Not all Chandler residents are students. You have a large middle age population that might like to cool off in water in March, April ,late August, Sept., October. You've opened the schools and pay to keep these kids cool for 9 months plus..... What about the rest of us that pay the bills to Chandler? Seems disregard and nobody has surveyed this subject matter. and again I mention parks have no bathrooms...how fair is that?	1/10/2025 10:10 AM

8	The parks are wonderful. I have no complaint. I do have a complaint about having neighbors who've shot off fireworks that spare illegal in the city. After a brutal New Years Eve & 4th of July , I euthanized my dog. The fireworks less than 50 yards from my house were entirely too upsetting & we're definitely the type that are listed as illegal.	1/9/2025 7:29 PM

As an example through my health insurance I get basic access to all EoS, LA and Mountain fitness gyms for 35\$/month!! EoS basic membership incl pool access is 15\$/month.	1/8/2025 10:44 PM
13	I have enjoyed painting classes at the Chandler Nature Center.	1/8/2025 2:46 PM
14	More aquatic, ice skating, indoor basket ball and other sports areas for kids would be helpful.	1/8/2025 10:27 AM
15	Do you meet any kid to amenity ratio?	1/8/2025 6:35 AM
16	Our favorite activity to attend each year is the railroad open house held at Tumbleweed Park in the Fall.	1/7/2025 9:58 PM
17	More education on maintaining pride in our neighborhoods. Picking up dog poop from your dog, not littering, neighborhood night out, etc.	1/7/2025 7:32 PM
18	Existing community parks need more maintenance and updates. Pima Park and it's playground is especially run down and needs a refresh. We need to stop wasting so much money on diversity efforts and programming, it's excluding people who don't meet the "minority" requirement.	1/7/2025 7:26 PM

But in general, Chandler has done a really nice job to-date.	1/2/2025 12:00 PM

64	I feel like there are not many facilities in my area (northern near the Tempe border) that provide opportunities for my toddler to have daily cool/indoor activities during the summer months	12/31/2024 5:20 PM
65	I'm always impressed with the sidewalks and paths in our area.	12/31/2024 1:40 PM
66	we should not compete with the private section for recreational amenities, but concentrate on maintaining open spaces	12/31/2024 8:46 AM
67	To clarify, I think that the residents of South Chandler have a better quality of life than the residents of North Chandler at least from the standpoint of the city taking care of each of these communities. Mayor and council signed a resolution not to put low income housing in South Chandler because of the concerns residents had regarding traffic, crime, overcrowded schools, and yet they have big plans to put low income housing and apartments in North Chandler without regard on how these apartment complexes will impact North Chandler. The appearance is that there is a difference in representation which is noticeably inequitable between South and North Chandler, from my perspective.	12/30/2024 2:35 PM
68	Enjoy walking around my neighborhood and across the street at Fulton Ranch. Not visiting parks so much, any more.	12/30/2024 1:09 PM
69	The parks appearance are better than the amenities. There are more programs for seniors than children. I would hope for a balance. More than half of the Chandler schools do not offer before care, after care nor tutoring for children. The teachers are leaving in droves but not because the children are bad. The kids do not receive hard copy books, barely receive homework, and their recreational activities are limited to maybe one choice a semester. Invest one the kids before they are all in private schools	12/30/2024 11:34 AM
70	I don't see many of the above. Occasionally here and there, but not enough.	12/30/2024 6:49 AM
71	Quality of life will improve exponentially once the illegal aliens and politicians installed by fraud like Katie Hobbs are removed from our community.	12/29/2024 9:34 PM
72	There are plenty of parks	12/29/2024 6:31 PM
73	We need pools that are heated in the winter.	12/29/2024 6:05 PM

FY 2025-26 City of Chandler Resident Budget Survey

74	NA	12/29/2024 9:33 AM
75	We selected Chandler for our family from amongst Valley cities over 15 years ago because it promoted itself as a playful city with bike lanes, city parks, wide sidewalks, low congestion, newer and well kept commercial shopping areas. Are we still that Chandler? Where is a major city park southeast of Tumbleweed? Are new streets and widening of streets still including bike lanes?	12/29/2024 9:13 AM
76	Free pickle ball courts are not enough, please aggressively convert tennis courts into pickle ball court	12/29/2024 9:10 AM
77	You need to fix the walkways in Desert Breeze park. People could hit them and stumble while getting hurt.	12/29/2024 8:33 AM
78	The city puts on events which is nice.	12/29/2024 1:37 AM
79	Great	12/28/2024 9:43 PM
80	Would like more options for seniors athletics and swimming options. Would lime more senior options for living support.	12/28/2024 8:14 PM

82	none	12/28/2024 9:24 AM
83	Too much light pollution	12/27/2024 10:40 PM
84	The city pools get overwhelmed with daycare children in the summers. In particular, Mesquite Groves will reach capacity and close to new entries so residents cannot go. There needs to be a way to lottery/regulate the number of slots that are used by daycares during the summer so residents are not excluded from the very pools they pay for.	12/27/2024 9:37 AM
85	"West" Chandler's parks should not be forgotten	12/27/2024 8:24 AM

88	PLEASE complete Mesquite Groves park. We have lived here since 2002 and have been requesting that this park be completed as promised. Our kids have grown as we waited but we would love to take our grandkids to this promised park site. Also...please no skate park at this site. Please.	12/26/2024 10:09 AM
89	how about some more awnings in the parks to sit down or benches in the park to have shade	12/26/2024 9:31 AM
90	Need some therapy temp pools for seniors.	12/26/2024 9:18 AM
91	A few are good. Many others could be maintained better or offer other activities (like under the funding question...Pump Tracks, Cricket field, etc.). Maybe add more pickleball courts. And MORE parks would be welcome.	12/26/2024 8:26 AM
92	North Chandler could use some attention. Too many resources pouring into south Chandler!	12/26/2024 8:16 AM
93	None	12/26/2024 2:25 AM
94	The parks are not as good as in Gilbert. It is extremely hard for me to utilize the parks with my dogs due to problems with the horrendous illegal fireworks	12/25/2024 6:46 PM
95	The price of city sponsored recreational classes is expensive.	12/25/2024 4:27 PM

will definitely not improve the quality of life in chandler.

103	Again would like to see a more localized and robust recreation center, sports complex in far west Chandler.	12/24/2024 10:05 AM
104	Park only provide playgrounds for small children wile adult seat and watch, adult exercise equipment will be a good start.	12/24/2024 7:55 AM
105	I love all the community activities, camps for kids and sport facilities. More of this please!	12/23/2024 9:55 PM
106	Need more dog parks and splash pads	12/23/2024 8:52 PM
107	Public park maintenance and upkeep is falling way behind. I have lived near Desert Breeze Park for 32 years. In the past several years the park has become somewhat run down and not maintain nearly as well as it was in the past. We recently had an annual HOA meeting at one of The Pavilions and found almost all the tables to be completely overrun with ants. The concrete was dirty and sticky and the trash cans look like they hadn't been emptied in days. Grass needs to be maintained better. And some of the amenities are gone.	12/23/2024 8:27 PM
108	Improved running trails to connect to canals	12/23/2024 8:07 PM
109	The water in the aquatic center showers often is freezing or boiling with no in between which is extremely detrimental in winter and can make people sick. Additionally it would improve the facilities to include a swim suit dryer unit.	12/23/2024 7:16 PM
110	Not really sure as I don't take advantage of the facilities as I should. Tumbleweed is nice and getting nicer.	12/23/2024 2:32 PM

118	I love our parks! I'd like to see a campaign encouraging residents to do their part in maintaining them. Not punish us...coax us.	12/22/2024 12:02 PM
119	We appreciate the City asking and informing citizens about how they can improve quality of life.	12/22/2024 11:47 AM
120	Probably to many parks	12/22/2024 11:39 AM
121	I have never seen so many parks. We have plenty and they are lovely	12/22/2024 11:33 AM
122	There are a lot of amenities compared to other sections of the country, not sure they are maintained to the quality they should be.	12/22/2024 11:23 AM
123	TRC is a wonderful facility. We enjoy any of the local parks and aquatic centers as well	12/22/2024 9:53 AM
124	Reduce the budget so residents keep more of their money to spend in the businesses in Chandler	12/22/2024 8:02 AM
125	West Chandler Parks not maintained well or upgraded. Desert Breeze Park is riddled with pot holes and cracks on the walking paths, cracked curbing and in desperate need of upgrades and landscape maintenance. Local neighborhood Parks, (Ponderosa & Galveston), sticker infested grass, dying plants, broken curbs, land on the west side that could be useful as a basketball court, volleyball rarely used, turn into a pickleball court. Playground for tots need attention	12/22/2024 7:16 AM
126	Baseball fields need to be improved throughout Chandler (not maintained well) as well as soccer fields at Snedigar (uneven grass area, lots of holes)	12/22/2024 6:04 AM
127	I believe places like Gilbert are building more high end parks and facilities.	12/22/2024 4:44 AM

135	Ore parks would be great and the upkeep. So keep the apartments away.	12/21/2024 7:09 AM
136	We would really love it if lap swim could start earlier and maybe go a little longer	12/21/2024 6:55 AM
137	The aquatic centers are my favorite	12/21/2024 6:33 AM
138	Desert Breeze needs maintenance work. The junk near the train station has been there for years. The paths are cracked. Many dead trees (replace, dont just remove).	12/21/2024 6:13 AM

140	Parking is more of an issue at the locations than the state of the actual park or rec center	12/21/2024 4:47 AM
141	The local parks need a lot more attention. Fire ant mounds are spreading, burrowing animals occupy the grounds, grass is full of weeds and unkept most of the time.	12/21/2024 12:27 AM
142	Desert breeze park needs repairs. Nozomi dog park needs free dog water bags	12/20/2024 11:17 PM
143	Need more maintenance and upkeep of parks, pools, and public recreation areas.	12/20/2024 10:56 PM
144	Revamp of parks	12/20/2024 10:06 PM
145	I wish there were more dog parks throughout the city and better bathrooms at the larger parks	12/20/2024 9:31 PM
146	We need more affordable or free adult activities in the parks	12/20/2024 6:15 PM
147	Yes	12/20/2024 5:38 PM
148	We love the parks and aquatic centers in Chandler, but they could use some TLC to ensure they will be safe and fun for many years to come.	12/20/2024 4:59 PM
149	I wish we had a closer dog park, our closest one right now is Pecos, which I think is owned by Phoenix.	12/20/2024 3:02 PM

FY 2025-26 City of Chandler Resident Budget Survey

162	Chandler provides some quality recreational amenities at the parks. However, with the growing number of homeless and drugs being sold at the parks, it's become more difficult to enjoy the parks. Night time is less safe than before.	12/19/2024 5:56 PM
163	Parks need more maintenance	12/19/2024 5:19 PM
164	Indoor pickleball courts please. The ones being built at Tumbleweed cannot be used 4 to 5 months out of the year.	12/19/2024 3:47 PM
165	Some activities and sports are ridiculously overfunded and receive preferential treatment (pickleball, basketball, for instance, while other sports such as table tennis, volleyball, badminton and cricket are left with the crumbs, at best.	12/19/2024 2:10 PM
166	Need to fix Desert Breeze park	12/19/2024 11:51 AM
167	West Chandler could use more investment	12/19/2024 11:42 AM
168	Nozomi Park needs a revamp badly. It would be lovely if there were more amenities in West Chandler. My family doesn't use Tumbleweed because it's too far away.	12/19/2024 11:39 AM
169	N/A	12/19/2024 11:35 AM
170	The neighborhood park by our house only gets green grass in the heat of summer when no one is outside enjoying it. Then, when it is winter and everyone is outside, the city lets it die so everything is brown. Very unfortunate. Please give Shawnee Park green grass in the winter like the many other parks. This is a common topic discussed among the families in my neighborhood. We would all greatly appreciate it.	12/19/2024 8:32 AM
171	There should be more trees planted in park walkway so we can enjoy parks more with added shades	12/19/2024 7:10 AM
172	Bien	12/18/2024 10:36 PM
173	Good	12/18/2024 5:58 PM
174	No dog park in my area. Maybe enclose area in current apache park? Also, apache park appears to be getting worse over last 5 years. Also, some users allow their animals run free ... even though signs require pets to be leashed at all times.	12/18/2024 12:48 PM
175	Have been to a few dog parks and playgrounds and they are ok but could use some cleaning / maintenance to make them better.	12/18/2024 10:25 AM
176	I wish there were more opportunities for seniors that still work but want senior type evening recreation and classes not necessarily at the senior center (active younger or older seniors)	12/17/2024 8:37 PM
177	Doing good! Could be better!	12/17/2024 7:21 PM
178	The quality of life in the city is not driven by the number of its amenities, but the well-being of its people living in the city. This questionnaire has an almost stupidly silly focus on amenities rather than livability of the environment itself. The ridiculous traffic, high prices, crime, are all NOT going to be improved by building new rec centers or frivolous sports projects.	12/17/2024 5:46 PM

196	City only cares about adding these amenities in the East side of Chandler. Nothing west of the 101 concerns them.	12/15/2024 4:10 PM
197	Why are libraries NEVER mentioned? Who is responsible for advocating? We don't need more pickle ball courts. Pools need more/better adult swim options.	12/15/2024 3:48 PM
198	I think, my opinion is that the City should help lower the price of rent for apartments, that will help improve the quality of residents or anyone quality of life.	12/15/2024 3:13 PM

205	A 100% waste of money to expand Tumbleweed for classrooms. That money should have been used to expand the fitness floor as we as a city are outgrowing it. Instead we get more classrooms that we don't need, there are plenty.	12/14/2024 8:40 AM
206	Have not scene Really any improvements in quality of life in the city of Chandler	12/14/2024 7:06 AM
207	I love the variety! I'd love to see some upgrades to older parks to create community, so I don't have to drive to Gilbert Regional Park.	12/14/2024 4:37 AM
208	Dog park watering system to water the dogs is ineffective. Literally the worst, the old watering was way better even tho it sucked, but now it's unusable.	12/14/2024 3:27 AM
209	Aquatics and dog parks are ok. They very much lack in overall maintenance but their just ok. Now parks? I've seen better park amenities in ghetto East L.A. all the bathrooms are locked so no way I'm taking my toddler to the many parks in chandler the benches are ruined at most parks the grass is either dead or flooded. 214	Perhaps it's an advertising gap. Seems you have to really go look for what is available. It should be better advertised. How about some 'City of Chandler' social media or commercials/ads showing what is available - and not just geared to 'parents' but to working, single or senior. What types of social activities?	12/12/2024 8:21 PM

218	While the city has several parks, they are often filled with homeless people. More lighting in the parks would be nice. I've never found a park with a clean or functional drinking fountain. A dog park in South Chandler and pickle ball/ tennis courts in neighborhood parks would be nice.	12/12/2024 8:11 AM
219	There could always be more parks and better ways to get to parks without driving. Bike lanes, pedestrian walkways and trains can be improved	12/12/2024 7:10 AM

231	Taking care of your residents should be a number one priority. Now that I am about to become a senior, I would like to have more resources for seniors.	12/10/2024 1:30 PM
232	As someone who visits parks a variety of parks with my dog, I am pleased with how many parks there are but the most well-maintained ones are on private HOA properties. The parks do seem run down for a city as sophisticated as Chandler.	12/10/2024 1:02 PM
233	Could use upgraded restroom facilities in parks, recognizing vandalism is a problem.	12/10/2024 11:45 AM
234	Whenever I see the Mayor or council member I tell you. Th e best thing about Chandler is VO Park. I love our parks, we need to keep them safe and vital. I never seen park rangers we might consider adding some in the future to keep our parks safe and available to our residents. Its important to put down our phones and get out and walk. See nature, breath, expand focal length of our eyes. Be healthy	12/10/2024 8:30 AM

251	The city waters grass in the parks in the middle of summer when it's too hot to be outside. They should overseed, water and cut grasses Oct-June when people actually use the parks	12/8/2024 9:24 PM

253	The pools are not warm enough for small children at the beginning of the season. Public pools should be open more with some warm water. Lessons and meets should not be doubled up to cause a dangerous situation to pre-swim lessons for littles.	12/8/2024 5:48 PM
254	paloma park is dirty	12/8/2024 5:43 PM
255	More trails along the canals area	12/8/2024 4:34 PM
256	The desert breeze park needs to get its merry-go-round repaired. It's been lying in rust for many years now.	12/8/2024 4:04 PM
257	We need more equestrian facilities and stop making ordinance about chickens, horses, and any small to medium livestock	12/8/2024 9:04 AM
258	There are so few places to go outdoors. Most of the parks are too small and not nice. Chandler had great opportunities to build amazing parks but you blew it. In fact the city owned some land that you sold off for commercial use. At this point what is done is done but once again chandler has become just an average place.	12/7/2024 2:07 PM
259	Desert Breeze Park always has one of the main entrances locked during open hours	12/7/2024 1:14 PM
260	Higher standard of maintenance- tax money should be highly allocated toward maintenance of all infrastructure, as it doesn't seem like this is the case. We do t pay enough in property taxes, so a specific increase for this intent would be valuable long term	12/7/2024 7:59 AM
261	Bike and walking path expansion would be wonderful.	12/7/2024 7:39 AM
262	Rooms at thunderbird are too small	12/6/2024 11:49 PM

266	More available pool access year round usage. Lap swimming purposes.	12/6/2024 5:59 AM
267	Parks aren't nearly as nice as surrounding towns and cities	12/6/2024 3:23 AM
268	Could be more dog parks or trails for bikes or walkers	12/6/2024 12:01 AM
269	The swimming pool near me has very limited hours and run times. With no shade in the summer it makes me less likely to use it.	12/5/2024 10:36 PM
270	Hope to see more parks and recreation areas, like Gilbert's Riparian Preserve, Scottsdale's civic center plaza, etc. Many parks in west Chandler and the swimming pool are outdated and need renovation.	12/5/2024 10:00 PM
271	I appreciate the amount of parks in the Chandler area.	12/5/2024 6:36 PM
272	I believe the city provides enough parks and recreation facilities. I would advocate for retention of university and trade graduates with a focus on businesses that need those skills. I believe it is currently a City Council priority.	12/5/2024 12:16 PM
273	more shaded outdoor parks would be nice like pump tracks for adults and kids	12/5/2024 11:59 AM

280	There should be zero homeless people begging on the street.	12/4/2024 10:11 PM
281	We need a pump track like Mansel Carter or trails like Desert Trails in Mesa. Cycling is huge in AZ and aside from Espee we don't have much to support. I hate having to drive to queen creek and Mesa for these types of parks.	12/4/2024 9:09 PM

285	should have more indoor free activities centers. the summer get hotterr and hotter.	12/4/2024 3:52 PM
286	Playgrounds need to have lights installed. At the least, the major parks like Shawnee and Desert Breeze. These playgrounds are heavily used and in the cooler months when the sunset is before 7pm, it goes dark. Kids are playing in the dark. The aquatic centers are wonderful and always clean and fun when we go.	12/4/2024 12:44 PM

294	Additional facilities are needed. Public tennis courts are very limited	12/3/2024 7:29 PM
295	The city has many great parks and facilities.	12/3/2024 6:34 PM
296	I think the parks here are abysmal. Grass isn't watered. Dry straw during the best time of the year when families are out with their children. Our parks are not fully utilized. Investment in parks reflects the care of the city.	12/3/2024 6:30 PM

301	Desert breeze park needs to be cleaned. Mostly the lake.	12/3/2024 7:38 AM
302	Poor indoor options. Outdoor options are rundown, lack quality function, lack modern functions, lack decent shade and esthetic appeal	12/3/2024 6:22 AM
303	As a parent, I have been able to enjoy the amenities that are available for kids.	12/3/2024 2:14 AM
304	we could definitely benefit from more indoor pool options	12/2/2024 10:19 PM
305	Great parks, but I think Chandler can use another Disc Golf Course that is a different style than Paseo Vista	12/2/2024 9:22 PM
306	More empty nester age activities.	12/2/2024 9:19 PM
307	Many parks could be maintained better	12/2/2024 8:46 PM
308	I don't feel that the City is providing enough services for it's senior residents. Lack of library programs for seniors is huge. I worked for several years with the City of Tempe and their services far exceed Chandler in that department. There are many programs the City of Tempe offered for it's residents that Chandler does not. I understand we are a growing community but what about taking care of the residents that have been the tax base for it's City? They shouldn't be traded off for new families and park services, skate parks and the like.	12/2/2024 8:43 PM

361	The City is well maintained & provides many amenities to us residents.	11/28/2024 8:49 PM
362	Although you would see a lot of construction on our streets around the city, I think more needs to be done if that means hiring more construction companies to be able to provide more miles paid and fixed then that's what I would recommend. At what time I recommended that in the even years you would do all the streets that go north and south and in the odd years, you do all the streets that go east and west my thought process was at least if we know that everything north and south is open we could then bypass the construction going east and west	11/28/2024 7:26 PM
363	Seeing more spread out indoor recreation would be nice, lots of outdoor parks, but they aren't useable for half of the year. Improving Desert Breeze's splash pad would be fantastic	11/28/2024 6:27 PM

1	Ask residents to volunteer (or pay us!) for pilot programs. Let us be part of the solution. My cell and streaming services drop out a lot. My neighbors have the same problem (Dakota and Chicago Streets).	1/15/2025 3:16 PM
2	I'm in a dead zone (poor reception for cell phone and streaming and sometimes none at all) in Pueblo Viejo (Chicago and Dakota). Be good to participate in sustainability, pilot programs in Pueblo Viejo (Chicago and Dakota)	1/15/2025 3:01 PM
3	Water (safe, clean, abundant) a high priority, ongoing. Air quality-what does the city do in this area?	1/15/2025 2:18 PM
4	Open to new technology to generate electricity. Advertise to remind citizens about decreasing water consumption. Be more responsible desert living people.	1/15/2025 2:14 PM
5	Need to provide more recycling trash can	1/10/2025 7:40 AM
6	There needs to be rebate offerings to have the water saving devise that makes hot water come immediately from faucet. I hate wasting gallons of water in my bathrooms & kitchen sink waiting for hot water. I've lived in Chandler 35+ years & have never seen a rebate offered to have this device installed	1/9/2025 7:29 PM

12	I would support water usage restrictions and please prevent HOAs from enforcing winter grass requirements	1/7/2025 5:24 PM
13	I think it's important to continue to fight for a water resources, but I'm not sure that technology is the cities responsibility and sustainability is definitely not worth spending my tax dollars on.	1/6/2025 5:36 PM
14	There is no future without an adequate water supply	1/6/2025 11:15 AM
15	Pueblo Viejo is a green desert (lots too small for trees) & a cellphone/streaming reception dead zone. I tell you this each year. I also vote.	1/6/2025 3:16 AM
16	I really never understood why the city didn't recapture the methane energy at our landfill. Something about it 'only' bringing in \$10k annually. If we had done that and foregone the recycling program (which COSTS us a million \$ a year- which I doubt really captures much most likely due to citizen's ignorance of what can and cannot go in the recycle bins. The methane recycling would have been beneficial. And we'd just have one trash day a week.	1/5/2025 7:43 PM

24	Sustainability is great as long as it supports a robust infrastructure. For example, it's great that the City incorporates solar energy into new facility installations where it makes sense. But that's trading current investment capital for future power savings and shouldn't be considered a primary goal. The primary goal for the City should be to provide a robust and efficient energy infrastructure.	1/3/2025 2:55 PM
25	Please avoid raising prices on utilities like water. There are many other better solutions for sustainability than at the financial cost of us residents.	1/3/2025 2:34 PM

47	I was alarmed when receiving the letter about the possible lead in the water and compared it to the government website and notice that of all the possible illnesses listed cancer was left off of the city letter. I believe a study should be done on the health implications of our water, especially in the older areas where the pipes need to be replaced. In my neighborhood many people have had cancer and that is concerning to me because on the website that lists possible illnesses associated with lead in the water pipes Cancer was listed and yet not listed in our letter.	12/30/2024 2:35 PM

50	Our water quality is gross. We actively encourage new comers to buy filters and never drink the tap. You won't allow people who invest 10-20k in solar power to keep 80% of their electricity captured. Instead the power companies negotiate a bum deal that makes solar unattractive. And what is happening at Intel?! They let off sonic booms and honey well fills the air with the worst pollution on some says we can't drive down the street without being assaulted with gas fumes. 118	As previously mentioned, as the City grows in residents and businesses, there will be a growing need for utilities. Solar isn't an affordable option for many people, and the return on investment can take 10-15 years to realize. The City is doing great with it's wastewater initiative to reclaim water and use it to water parks, golf courses, businesses, etc. This goes a long way to save surface water and ground water. Is the waste water treatment plan large enough of to handle the growing number of residents? Are there plans to build another plant to help with the growing number of residents, and should the main plan have an issue and need to shut down temporarily? Is the City looking at technology to help keep building cooler; like electrochromic glass, which helps decrease the use of A/C units.	12/19/2024 5:56 PM

1. Local Government Control & Taxation (42 responses)

- Major Themes Include: Prefer local control over taxation and decision-making, believing the city understands their needs better than state or federal entities. Some feel the city's taxation is already too high or mismanaged.
-

2. Infrastructure & Maintenance (50 responses)

- Major Themes Include: Support for improved road maintenance, beautification, and investments in public amenities. Desire for better road conditions, and better congestion management. Preference for spending to be directed toward repairs rather than aesthetics.
-

3. Housing & Affordability (37 responses)

- Major Themes Include: Support for affordable housing initiatives, especially for middle-income earners. Concerns about increasing apartments and low-income housing developments changing the city's character.
-

4. Public Safety & Law Enforcement (29 responses)

- Major Themes Include: Requests for increased policing, stronger traffic law enforcement, and safety initiatives.
-

5. Parks & Recreation (31 responses)

- Major Themes Include: Desire for more green spaces, shade, and recreational facilities. Concerns that some parks are neglected, or the city may be overspending on recreation.
-

6. Education & Youth Services (28 responses)

- Major Themes Include: Support for increased funding for schools and youth programs. Some feel education should not be the city's financial responsibility.
-

7. Homelessness & Social Services (22 responses)

- Major Themes Include: Requests for more services and housing support for unhoused individuals. Concerns that increasing services will attract more homelessness from outside Chandler.
-

8. Sustainability & Environment (19 responses)

- Major Themes Include: Interest in sustainability, water conservation, and green infrastructure. Some see environmental initiatives as unnecessary spending.

Q26 Please share any details of why you may have answered how you did to any of the questions above that would help us understand your perspective. Also, which focus areas do you feel could use some additional emphasis or perhaps funding and why?

1	State Legislature is full of dictator wanna be's. (oh, so it's not just a national phenomenon now!) This voter prefers my city control what and whom is within its boundaries. That includes the size of casita, short-term rentals, associated taxes. Help me make living in Chandler a great decision!	1/15/2025 3:16 PM
2	Keep casitas small in older downtown neighborhoods. Local taxation should continue to be a city headache. I like to know whom I'm voting in and out of office for financial reasons! Pueblo Viejo has no greenery to cool the area (lots are too small). We need some nature, not just concrete. A previous vit plan included a broad walkway (Chicago St) for pedestrians only. I bought a house on Dakota because of that. Surprise! No street-wide walkway there. Instead, a new parking garage! Can't speedwalk, so you owe me lots of cooling, calming and healthy greenery in my neighborhood (NS between Frye and Chicago and EW between California and Essex).	1/15/2025 3:01 PM

7	I've been a Chandler resident since 1986 & really have enjoyed it here. I've lived in this older neighborhood NW Chandler for over 30 years & really like it here for the most part. I walk most days of the week (by myself now since dog died) & pickup trash & make an effort to keep the neighborhood looking nice. I notice when folks don't clean up after their dogs, when they don't recycle correctly, etc. I just want the neighborhood to look nice.	1/9/2025 7:29 PM
8	I'm more concerned with increases in property taxes since i had previously lived in a state with exorbitant property taxes and not always the best quality of services. Some additional emphasis could be used in the maintenance of neighborhood streets that are cracked and need to be fixed.	1/9/2025 5:55 PM

13	Please fund police for traffic violation enforcement. Please fund street maintenance. Change zoning so result in less apartments and mega large industrial buildings being built. Improve parks. Enforce sign ordinance or might need to create new ordinance. Many businesses need to maintain their landscaping design as originally approved by the city. The city allows for mesquite and paloverde plants to be installed at businesses but they get over watered the winds blow them down. In about ten years many of the trees are gone never to be replaced.	1/7/2025 1:29 PM

20	We donated to the homeless thru the library at Christmas-with the belief that it was going to Chandler residents who became homeless. If Chandler builds too big a processs to help the homeless it might attract people outside of Chandler. We don't want that. We are happy that Chandler looks at individuals and tries to assist them and find the cause of poverty in Chandler. Is there anything that the city can do to encourage the mobile home parks to stay and not sell out to apartment complexes etc? We do need 'affordable' housing and that seems to be working. Quotes around affordable housing because we heard from one mobile home owner in Mesa and the park fees are \$1100 a month. That's crazy! I did find an 'unhoused' person camping on our HOA property and it seemed nothing could be done. They thankfully agreed to leave. It's concerning since there is a city park and elementary school immediately adjacent (literally across the street from their sleeping bag) to the area. We have no idea if they are a registered/should be registered pedophile. Why are there no laws about that?	1/5/2025 7:43 PM

28	I've lived in Chandler for the past 20 years and have always felt that the City uses financial resources wisely. Funding for the school system is important and seems to be thoughtfully considered. Revitalizing the downtown area has been a great success in my mind. So of course I feel that the City government should continue to be a proper steward of our local finances and not hand that over to some entity who might not be as aligned with Chandler's objectives.	1/3/2025 2:55 PM
29	I am an employee at ADOT and have worked with our safety department on several transportation data projects. I also consider myself part of the Chandler BMX community and have 2 of my children active in the community and race weekly at the track. With the growth of Chandler BMX, it will continue to pose a safety hazard to pedestrian traffic in its current location on a weekly basis and especially during busy track events (State Race Qualifiers, etc.). The BMX community has been the most family friendly and supportive part of being a Chandler resident. An upgrade to the Chandler BMX community with an upgraded facility would be very well received by its members and would give more opportunity to grow within Chandler to it's residents. As a parent with my son who has experienced having to cross Alma School Rd during busy traffic hours on our bicycles or walking to get my son to school, there are obvious safety reasons why signaled pedestrian crosswalks should be put in place in specific parts of the city.	1/3/2025 2:34 PM

56	I am not sure what this means exactly.... does some county government entity want to take over taxes in our city??? Why? Power grab??? Heck with them leave taxes as local as possible. City of Chandler needs to take care of citizens of the city. Not sure what can be done about the automobile traffic which is going crazy down here on the south end of Chandler. Maybe it is all the huge tractor trailers mixed in with regular local traffic with is causing things to be so crazy.	12/30/2024 1:09 PM

59	Our family is at a life stage that includes driving to many youth and teen activities. I'd appreciate more emphasis on traffic flow patterns and efficiency. More flashing yellow turn lights throughout the city would be one improvement. Another area I'm seeing problems arise is volume of traffic that tries to push through a turn after the arrow has turned red and oncoming traffic has a green light. I'm not sure if a longer turn arrow is warranted or deterrent cameras, but a few intersections have become dangerous that way. Another huge pet peeve of mine is failure to yield at a yield sign, specifically Price Rd yield to ramp traffic at Warner and Elliott. Driver's treat the yield as a merge causing unnecessary backups on the exit ramp for fear of being hit by a non yielding car. Perhaps it started because Price Rd traffic became frustrated with long lines of cars exiting the 101 so yield time became unbearable. All I know is that signs say yield but that's not happening. Either change the expected traffic flow and match signage to the solution or educate and enforce the yield. Yet another idea to improve traffic flow: Some lights at neighborhood entrances could be flashing intersections most of the day except peak rush hours. Indianapolis 20 years ago had entire intersections that became flashing red one direction and flashing yellow the main flow direction during night hours when traffic was very light. It improved traffic flow at night. Cooper and Riggs is one intersection that comes to mind for such adjustment because far fewer cars approach this intersection via Cooper.	12/29/2024 9:13 AM

We don't have room for our kids to play in the backyard outside of having a pool and having paid well over half a million. Second, being the only school district that starts as early as Chandler's creates problems for our schedule and holiday breaks as my step daughter goes to charter and starts later. Also, I an very confused about why school starts in	12/26/2024 11:19 PM

the hottest part of the year and no facilities for kids to get exercise daily. It would be preferable to start later and shorten the breaks as that is also difficult for parents schedules to align. I will likely be pulling my son out of chandler district to find a school that starts at either end of July and early August. The more time my kids can be at out door camps in the summer in the east coast the better for their development. Gifted kids especially have a lot of energy and to not have a space to run around indoors in summer in counter intuitive for their development. Chandler school numbers are dropping and likely because many who want to escape the hottest part of the month and travel don't want to start in July. There is zero research that says year round schooling is more effective for retaining information. All studies disprove that so not sure why it was voted in other than the teachers wanting it for longer mid breaks. I will be looking at alternative options to put my two youngest kids in schools not affiliated with chandler district as their schedule and lack of gym facilities is a disservice to them.

120	I feel it's very important for the sustainability and growth of the city to approve residential projects and improvements, including apartments and condos, especially multi-story units. I have lived for a long time in Tempe prior to moving here, and Tempe did not do that, and allowed so much community input to new developments that it made it prohibitively expensive to develop. As a result, the neighborhood I grew up in in Tempe is basically devoid of younger families, who have been entirely priced out of the area. I have an apartment complex near my house in Chandler, however, and we have no issues. I do not at all agree with residents that do not want new neighbors. Whatever you can do to streamline the permitting process, minimize toxic community approval processes, and quickly reconsider zoning decisions when the land could be put to more productive use, please continue to do so. That goes as well for commercial developments, up to and including tax incentives. I've lived next to blighted strip malls that stayed vacant for over a decade following the recession and I do not wish to experience that again.	12/20/2024 3:02 PM

124	My main concern is getting equitable services for us that live in Chandler but get almost treated like we are part of Tempe since we live on the boarder. While shiny new parks are great, please maintain what we currently have! We moved to desert breeze park because we wanted to have an amazing park to visit daily which we do! We love our little park but there are for sure some areas of much needed maintenance. There are cracks located throughout the park that are huge tripping hazards. i personally tripped while pregnant and my stroller gets jammed on some of them to the point that I walk a different way to avoid this one section. The water stations need to be redone, shade needs to be added, and it would be nice to get an upgrade of the slides and swings even if it is just like a portion of it. I am not sure who controls the train but when my teens were older it wasn't that expensive to ride it and we as chandler residence could get a yearly pass. We now have a 2 and newborn. We walk the park daily and my littles love to ride the train. However every time we ride the little park train it is \$10 for one ride. It is cheaper in Scottsdale to ride their longer train and my 2 year old is still free there. It would be great if they could bring back the chandler resident pass or give a discount for Chandler Residents.	12/20/2024 9:20 AM

Kierland Agritopia Henderson, NV 89012 at the district. My teens still miss the environment in Henderson, the way the parks and trails were constructed so you could avoid traffic but explore with all the amenities you would ever need. The planning doesn't feel long term in terms of what commerce goes into spaces. Take a moment and either take a trip to 89012 or map out what they have for fitness, parks, commerce, entertainment, and how those spaces lay out to be more walkable. structure and shade plus ambiance. It's not just about the offerings but how they lay out like a Disney park where you just want to explore that local homemade bakery and shop then enjoy a healthy lunch at open air venue like true foods with a splash pad and lights that are relaxing to shop. This survey should ask how often do you go elsewhere for experiences. My answer would be 100%. I'm certain there is a ton of commerce going to Gilbert, Scottsdale and other areas. I would start with a cross functional analysis of what these locations have and identify what you maybe losing in commerce.

188	Our city is well up and I hope this will continue. You seem to put the correct emphasis and fiscal support in the right areas. We have a strong family emphasis in Chandler. I like how our city is run. Keep doing what you're doing. It's working	12/10/2024 8:30 AM

193	Just moved into Chandler and I have noticed some issues with the community, very minor, but enough to catch my eye. I feel as if the community could use an upgrade in some areas more than others and that the lack of support businesses may be having shows (l.e: stores closing down, empty stores). I would like to see more community outreach and ways that the city can get homeowners to do more instead of a little blurb in the newspaper.	12/9/2024 6:49 PM

194	Local would understand the needs of the community better and hopefully it will manage the funds better.	12/9/2024 5:30 PM
195	I wholeheartedly support and advocate for energy and water-related infrastructure. As a secondary priority, I would also like to see the city ease zoning to allow for expanded multifamily housing in downtown Chandler. Keeping downtown Chandler relevant is dependent on high-density housing toward young professionals and empty-nesters/families without children. Given the vacancy rates of office buildings, does the city have a plan to convert these commercial buildings to other, more profitable future uses? If not, I would like to see how bond funding could help establish conversion programs and speed up rezoning to enable more housing supply using under-occupied commercial spaces throughout the city.	12/9/2024 5:19 PM
196	I do not like that the Legislature was trying to limit the ability of the city to control taxes here	12/9/2024 2:24 PM
197	Library cleanliness. I've seen the toys not feeling very clean in downtown Chandler library, Hamilton library, and tumbleweed center tree house. As more and more virus are going wild nowadays, can you show that how often floor and the toys are being cleaned to comfort parents? Can we expend Hamilton library, since once after school, it's filled by students talking out loud.	12/9/2024 11:42 AM
198	Porque Haci lo creo y yo pienso que tal vez ayudar a los dueños de casas que no tenemos fondos suficientes para mantener nuestras viviendas en buen estado o para tener lo necesario como es tener Aire acondicionado en buen estado y tener cercada yarda por la propia seguridad de los dueños de casa Because I believe it and I think that maybe it will help the homeowners who do not have enough funds to keep our homes in good condition or to have what is necessary and the most essential thing, such as having air conditioning in good condition and having the yard fenced. for the homeowners' own safety	12/9/2024 8:58 AM
199	Indoor playgrounds, misters and water fountains at bus stops, more shade (both artificial and trees). Just because there are homeless people that will be around isn't a reason to punish the poorer residents who rely on public transit and public spaces. More money for transitional housing instead of the police would be great too.	12/9/2024 8:40 AM
200	I have lived in Chandler since 1992. We've raised our family (in zip code 85248 which became 85286) and moved to 85249 10 years ago. We are hoping to buy a smaller retirement home soon. We have loved living in Chandler and can't imagine any other place to be. While water is at a premium in this beautiful desert, it would be nice to have solar or power wall incentives with the city to encourage solar energy instead of hydroelectric energy. Thank you for making Chandler a wonderful place to raise our family and hopefully retire soon.	12/9/2024 8:19 AM

203	I think it's important for the city to help improve neighborhoods by paving dirt driveways. This will also help the city's overall image. There are specific streets that you can drive down like mine where you drive next to \$500,000 houses. Then then you drive next to houses that are boarded up with dirt driveways. Paving them will at least improve the overall image of the city.	12/8/2024 9:17 PM

I hate driving down the road and seeing islands which once had beautiful trees on it now look bare and ugly because when the trees and plants died there is no requirement for them to be replaced.	12/7/2024 2:07 PM
209	If we had a 20-30% increase in property taxes, that would literally work out to \$120-150 a month...City needs to do a better job of communicating and educating the community on taxes, and how the city uses the tax dollars as effectively as possible...I don't mind paying more taxes if I know and can see the benefits in the community	12/7/2024 7:59 AM

That's why I advocate for an extended runway. I was at a presentation by city staff on \$7M in grant funding for bicycle lanes on Frye Road. I asked what the projected use would be and was told that they hoped it would be used. I believe city or grant funding should have data based reasoning for expenditure. My concerns were that this corner had a Chervon station already and the traffic is heavy already. There is a Fry's grocery store on the opposite corner and would be across from where this QT was going in. The City of Chandler's response was to put in traffic cameras for red light runners and other violators. more so than law enforcement. Low income housing and mass transit are not where I want my tax dollars going, as they will have a negative impact on the quality of life in the community. 268	De forma general, considero que Chandler es una ciudad que dispone de buena infraestructura. Las áreas que necesitan más enfoque están relacionadas con: el desarrollo de programas de vivienda asequible y de control del precio de arriendos; el uso de materiales de construcción que no retengan o absorban calor y el aumento de árboles para ayudar a mitigar las altas temperaturas; mayores controles para mejorar la calidad del aire; iniciativas para mejorar el uso de recursos hídricos; programas o iniciativas de responsabilidad social empresarial que contribuyan al mantenimiento de los espacios de recreación; programas de educación vial para la prevención de accidentes de tránsito; programas de prevención de uso de drogas para niños adolescentes; programas de prevención y manejo de casos de violencia doméstica y de casos de crisis de salud mental cuando no se requiera de presencia policial. In general, I consider that Chandler is a city that has good infrastructure. The areas that need more focus are related to: the development of affordable housing and rental price control programs; using building materials that do not retain or absorb heat and increasing trees to help mitigate high temperatures; greater controls to improve air quality; initiatives to improve the use of water resources; corporate social responsibility programs or initiatives that contribute to the maintenance of recreation spaces; road safety education programs for the prevention of traffic accidents; drug use prevention programs for children and adolescents; prevention and management programs for domestic violence cases and mental health crisis cases when police presence is not required.

315	I'd give you guys a solid B grade at this point. Appreciate your reaching out to residents with this survey. My wife and I have been here 30 years and have loved living and raising our children here. Our suggestions: 1) We'd like to see more emphasis on local street maintenance. Some of the older neighborhood streets desperately need to be recoated or resurfaced. Again, this is one of those areas that only gets more expensive the longer you put it off. 2) Widening some of the older main arteries falls into this same category. Maybe your team should look into using AI to project future costs of these projects versus the 'easy to do now' projects that have much smaller impact. 3) We'd like to see smarter traffic signals at major intersections to improve flow and reduce backups. I bet your traffic engineers have been pushing for it, but it costs too much. How about you start with the worst 'backed up at rush hour intersection' as a demonstration for the community? I bet you'd get plenty of support as a result. Keep up the good work!	11/25/2024 11:27 AM
316	More emphasis on bicycle infrastructure safety: reduce speed limits on six lane surface streets(there are too many cars on the roads nowadays for 45 mph speed limit on city roads. As an experienced bicyclist riding thousands of miles a year, I have seen car traffic volumes on the city streets explode in there last 10 years. 45 mph might have been fine years ago but current volumes of traffic need you to re-evaluate city street speed limits. You need to lower those speed limits on city streets.	11/25/2024 10:26 AM
