Date: November 22, 2024

**Subject:** Fiscal Year (FY) 2024-25 General Fund Revenue Summary, Sales Tax

Collection Report, and Expenditure Reports through October 2024

Attached is the FY 2024-25 General Fund Revenue and Expenditure Reports for the period ending October 31, 2024.

Included with this memo are the following attachments:

Attachment 1 – General Fund Revenue Summary

Attachment 2 – Local Sales Tax Revenue Five-Year Comparison

Attachment 3 – Local Sales Tax Revenue by Class

Attachment 4 – Local Sales Tax Revenue Month-by-Month Comparison to Prior Year

Attachment 5 – General Fund Expenditure Summary

The General Fund Revenue Summary (Attachment 1) gives a budget to actual comparison of revenues through October 2024. This month reflects a 9.2% increase in total General Fund revenues from the budgeted revenues we would have anticipated being received to date based on historical trends, and a 0.3% decrease over the same period of the prior year.

Collections in State and Local Transaction Privilege Tax (TPT) or Sales Tax (Attachments 1-4) shown in this report reflect September TPT reported/received in October. Overall, year to date (YTD) collections in Local TPT and State Shared TPT Revenue all came in above budget, and Urban Revenue Sharing only slightly below budget. Interest earned on fund balances has increased due to higher investment rates and balances from the large amount of capital projects in process. It is important to note, that fluctuations related to development/contracting are considered one-time, since once the developments are completed, the related permit and local TPT collections cease. The Local TPT collections through October 2024, reflect an overall increase of 8.0% above budget, and a 3.6% increase

Memo No. 25-055 November 22, 2024 Page 2

compared to prior year actuals. Also, when comparing the TPT collections received in October 2024 to the same month in the prior year, collections are up 15.3%, due to a large one-time contracting TPT payment received this month.

Finally, the FY 2024-25 General Fund Expenditure Summary (Attachment 5) report reflects the percent of adjusted budget expended and encumbered through October 2024. This report then compares this spending percentage to the prior fiscal year. Overall department spending resulted in 39.9% spending through October 2024, compared to 47.7% for the same period last year which included a large Public Safety Personnel Retirement System (PSPRS) payment of \$73 million which was a one-time increase in the prior year.

Adopted Budget: Includes estimated reserves for encumbrance carryforward from the previous fiscal year and full Council approved reserve/contingency established in the budget.

**Adjusted Budget:** Includes movement of estimated reserves for encumbrance appropriation to departments based on actual end-of-year encumbrances and Council approved contingency transfers. Reserves/Contingency appropriation cannot be spent from Reserve/Contingency line items; it must be moved to spendable lines within Departments.

NOTE: The total Adopted budget compared to the total Adjusted budget always equals when viewing all funds. When looking at the General Fund only, it is not uncommon for the amounts to differ. This is due to estimated carryforward appropriation, personnel adjustment appropriation or Council approved contingency transfers being moved to other funds, as directed by Council and authorized by the Budget Resolution.
