## About the Organizers

The City of Chandler Mayor's Committee for People with Disabilities is making a significant impact on the lives of Chandler residents through their unwavering dedication. Their provision of scholarships and stipends offers crucial support to individuals with disabilities, empowering them to pursue their educational and personal goals. The Chandler Golf Challenge (CGC) isn't merely a golf tournament—it embodies hope, directing us towards a brighter future. Through community collaboration, the committee breaks down barriers and fosters opportunities where obstacles once stood. Each swing of the club signifies progress towards a more inclusive society.

Every dollar raised isn't merely a donation—it represents an investment in the potential of each individual. Together, we're demonstrating that disabilities don't hinder dreams; instead, they inspire us to work towards creating a community where everyone can thrive.
