Greetings Friends,

Every spring, the Chandler Senior Center brings together a comprehensive collection of resources aimed specifically to boomers, seniors, and care givers. Attendees can expect to find a wide range of exhibitors providing lasting connections to help enhance their quality of life.

Be a part of the Chandler Senior Expo promoting Health, Lifestyle, Nutrition and Active Living.

The fun-filled morning of information gathering, giveaways and free health screenings will be held on **Wed., March 5** from 9 a.m. to noon at the Chandler Community Center, 125 E. Commonwealth Avenue.

We expect over 60 service providers and stakeholders to exhibit at the Expo - making it one of Chandler's must-attend activities for individuals soon to be retiring, those already retired, and children of aging adults.

Connect and promote your business to Chandler's highly active 50-plus community who are looking for options and alternatives regarding health and wellness, housing, financial security, travel, leisure activity, adult lifestyle living and more. Become a 2025 Senior Expo Sponsor or Exhibitor.

Space is limited. To assure representation of your organization, please complete the online Senior Expo Participation Form and remit payment as soon as possible. Registration will close on Friday, February 14 or once the Expo has reached showcase capacity.

Sincerely,
